RETIRING CARETAKER KEEPS BUSY WITH HORSES

Mr. Stanley Moorcroft of R.R. 3, Madoc, locked the doors of the Township Central School last Wednesday afternoon with a feeling of nostalgia. He had been caretaker of the school for the past ten years, beginning in August, 1961, just before the new school officially opened on October 4th that year and this spring he retired from the position. But Mr. Moorcroft was more than just a janitor — he became a wonderful friend of the students as well.

He said the job had meant many long hours of work for him and his helpful wife, who assisted him in his duties, and he felt he was ready to retire when he handed in his resignation. However, when the final day came last week, Mr. Moorcroft said he felt he was leaving behind something that played a very important part of his life. He says he will particularly miss the children — and they are certain to miss his helpful, friendly manner around the school.

But Mr. Moorcroft has started up something else to keep himself busy — and to attract the children to his home. An ardent horseman,

and with five horses at his home at Hazzard's Corners, he has opened up a riding ranch. The morning of the last day of school he arose a little earlier than usual to paint a sign reading, "Pinto Valley Riding Ranch" and placed it on the front lawn at his home to enable the school children to see it on their way past in the buses.

Since last Wednesday, he has been working on some riding trails around the neighbouring farms, cutting brush and clearing paths for the riders. So, he's still a busy man. Although he has a lot of work to complete yet, he has plenty of time to do it.

Mr. and Mrs. Moorcroft will be replaced by Bev Caterer of Madoc, who will be assisted by Mrs. Mary Parks. Bev has had experience in this line of work, acting as a caretaker at the Madoc Public School during the past year.

PEE-WEES WIN THREE GAMES

The Madoc Pee-Wees came up with three victories in the past week.

On Monday last they defeated Springbrook, 24-5, Steve Johnston picking up the win, and Forestell catching. Big hitters were Joe Brooks with two home runs and singles went to Roger Elliott and Danny Forestell.

On Friday night at home, the local youngsters defeated Stirling, 16-9. Steven Johnston again picked up the victory, with Danny Forestell catching. On Sunday in an exhibition game, the local boys defeated the Rollins-Shell All Stars from Belleville to the tune of 10-6. Steven Johnston picked up the win and Joe Dow was catcher. This was a real team effort, as some of the Madoc crew were unable to attend.

The line-up was as follows: Joe Dow (C); S. Johnston (P); Ed Mah (1B); R. Nickle (2B); D. Ross (SS); K. Kirkpatrick (3B); J. Brooks (CF); Neil Reid (LF) and D. Moore (RF).

The local Pee Wees are playing in Stirling on Wednesday and will be back home for the first game of a double-header with the Bantams on Friday at 7:00 p.m.

MADOC RESIDENT RECEIVES CITIZENSHIP

A twenty-one year old student of C.H.S.S. received his citizenship papers from the Supreme Court of Ontario on Friday, June 25th.

The new Canadian is Mr. Henry Mah, son of Mr. and Mrs. Fai Mah of Madoc.

However, a great deal of time was consumed before the final papers were issued. A first requirement is that the applicant must have lived in Canada for at least five years. Henry has exceeded this by 7 months.

Following the paying of a \$10.00 fee, Henry filled out an application form at the Court House in Belleville. For the next four months, a notice of his application had to be posted in various public places to make his application known to area residents.

Later on, he received a notice from Belleville to appear before Judge Anderson on an appointed date, where he answered an oral examination. He said while there he met other persons who were also becoming new citizens. After another four months passed, he was requested to attend the final ceremonies in the Supreme Court. Here he met 19 other new citizens. He mentioned that a number of spectators, including a class of students from Belleville, were present for the ceremonies, as were some Royal Canadian Mounted Police. Each applicant had a sponsor with them, and Mrs. Dorothy Empey, a teacher and Donna Reid, a classmate, attended on behalf of Henry. The Judge called the applicants by groups to the front of the court, where they made their oaths.

At the conclusion, each new citizen received a certificate and a pin. Judge Anderson then gave a brief address to the new citizens, telling them what is expected of them as Canadian citizens.

Henry said that the two main requirements of all applicants is that they must be able to speak English and they must know religion.

Henry was presented with a booklet on the history of Canada and a note of greetings from the nation bearing, in part, the inscription, "You are now admitted to share, with us, all the ancient liberties of the British people: Freedom of Speech; Freedom of Assembly; Free Exercise of Religion; Free Democratic Government."

Henry has since sent his application to Ottawa with the \$2.00 fee for a wallet size certificate, as well.

This is indeed a wonderful experience for Henry, who wishes to express his sincere gratitude to Mrs. Empey for providing transportation, for her encouragement and for assisting him in obtaining a greater knowledge of Canada.

Mr. and Mrs. Alex Glover, Janet and David and Mrs. Norma Worley spent Saturday afternoon with Mrs. George Glover and Will and Mr. and Mrs. Harry Love.

New Well Gets Temporary Hook-Up

The new well for the village beside the Kiwanis Centre is being temporarily hooked up to the spare pump today and will be connected to the water mains until such time as the new pump can be purchased and installed. It is expected to be in use tomorrow. The pre-mature use of the new well was brought on by a very low level of water at the present well.

The new well, which was dug

early in March this year, is 160 feet deep, and has a diameter of ten inches.

Before a well can be used in this capacity, it is required to pump water at a rate of 350 gallons per minute. The well at the Kiwanis Centre should supply ample water for area residents, as the Village reports pumping 700 gallons per minute from it, with a test pump.

Council has accepted the bid of Ross Pigden to install the permanent water pump with a different make of pump and deletion of the hypochlorinator.

The water has been tested and continuous weekly tests are required as long as the well is in use.

MADOC 4-H CALF CLUB

The third meeting of the Madoc 4-H Calf Club was held at the farm of Dave Foley on Monday, June 28th, at 7:00 p.m. At this meeting, the members played ball until 8:30, where Sandra Stein's team defeated Joyce Brownson's team, 14-7.

Then, all went to the barn where the meeting was opened with the 4-H pledge by Vice President, Gail Brownson and Elaine Wannamaker read the minutes of the last meeting which were adopted as read by Ann Sexsmith.

The meeting was then turned over to the leader, Dave Foley, who asked Keith Stein to tell the members about a cow and what to look for in a good dairy cow. Then everyone picked the best and the poorest cow out of a group of six animals.

It was decided to have the next meeting at the farm of Don Wannamaker of Madoc, on July 23rd at 8:00 p.m. The meeting was then adjourned on motion of Gail Brownson, seconded by Bonnie Baker.

HOLMES REUNION

On Saturday, June 27th the members of the Holmes families gathered together in the Queensboro W.L. Hall to hold their 47th Annual Reunion. They came from Ottawa, Carp, Kingston, Yarker, Stirling, Codrington, Madoc, Queensboro and Thomasburg.

A delicious dinner was prepared by the ladies with about 40 members of the families present.

After dinner the president, Mr. Durwood Holmes called the meeting to order and the Secretary, Mrs. Ed Holmes read the minutes of last year's gathering. She read a poem in memory of those who had passed away since last year's reunion. They were Mrs. Fred Fleming, Madoc and Mrs. Rhoda Eldridge of Montana, U.S.A.

Prizes were given to the youngest babies, Angela Lancelive and Christina Jones. Chocolate bars and gifts were given to all the babies present. The door prize was won by Roberta Sager. Ernest Manchester and John Holmes received prizes for being the oldest men present, both are in their mid 80's. Birthday nearest the date was won by Margaret Ann Lancelive. Cards were sent to Mrs. R. A. Sager and Ed Holmes who are both ill in Belleville Hospital. It was decided to leave the executive the same for another year. It was also decided to hold the Reunion in the same place on the same date next year.

Cottage Delivery Starts This Week

This week, for the first, a cottage-to-cottage delivery of the Review by boat will be made around Moira Lake. The publisher will travel with the new delivery boy on his first trip.

There is nearly 300 cottages on the lake, so advertisers are reminded that the tourists will be watching for their specials in the paper. This delivery will be a weekly service to our tourists.

MADOCER JOINS CALIFORNIA CUTIES

Approximately 600 persons turned out to see the California Cuties down the Madoc Junior Softball team 6-4 at the end of three innings on Sunday night at the local ball park.

Known as the world's funniest softball team, the men, dressed in ladies' clothes and imitating lady softball players, kept the spectators in stitches with their novel plays throughout the game.

At the end of the third inning, they threw aside any serious playing and performed amusing stunts at bat and in the field, delighting young and old with their fitting comments.

'Dumpy Dora' and 'Little Susie'

had a great time teasing umpire Tor Ross at the plate while 'Hilda' stole the show from the pitcher's mound. Lisa Jane took her share in entertaining from first base and the fielders, while amazingly catching some good hits, demonstrated their skills during warm-ups.

We have just been informed that Mr. Larry Griffin of Millbridge has joined the California Cuties and will be travelling with them as pitcher.

Their former pitcher had been called away in the army and the stand-in, who appeared in Madoc Sunday night, had to return to California. Those who have seen Larry perform on the ballfield in local games, know he will do an excellent job for the Cuties.

MADOC VILLAGE COUNCIL MINUTES

The regular monthly meeting of the Madoc Village Council was held in the Council Chambers on Monday, July 5th at 7:00 p.m. with Reeve, Thomas Burnside and Councillors; Clayton Smith, Robert Kirkwood, and T. C. Barton present.

Due to the low level of water in the present well, it was decided to install the spare pump in the new well and connect into the water mains until such times as a new pump can be purchased and installed.

Mr. Harvey Martin waited on Council for information regarding his request for a water service to his home on Maude Street. The Engineer reports that it is not possible to run a water line to this property.

Kirkwood — Barton — that, subject to the approval of J. Lee Engineering Ltd., we accept the bid of Ross Pigden to install water pump as per plans for Job No. 837, with a different make of pump and deletion of the hypochlorinator. carried.

Barton — Smith — that the minutes of the last regular and one special meeting be approved as circulated. carried.

The clerk was instructed to write the following letters:

(1) To the Department of Energy and Resources, requesting an extension on our Certificates of Approval for the Waste Management System and Disposal Site.

(2) To the Ontario Water Resources Commission for approval to construct the Wading and Swimming Area in Deer Creek between Seymour Street and the old railroad.

(3) To the Belleville Utilities Commission giving Kel Kincaid's name as chairman of the Madoc Waterworks Committee.

T. C. Barton — Kirkwood — that

all correspondence, not otherwise dealt with, be received and filed; Department of Transportation and Communications, Moira River Conservation Authority, The Ontario Municipal Board, Clarke T. Rollins, M.P.P., The Hydro Electric Power Commission of Ontario, Ontario Water Resources Commission, Department of Labour, Quinte Machine and Repair Co. Ltd. carried.

Smith — Kirkwood — that all accounts signed by the various chairmen be paid and those paid during the month be confirmed. carried.

Accounts: H. J. McFarland Construction Co. Ltd., \$75.60; Madoc Pro Hardware, \$6.91; City of Belleville, \$12.44; Madoc Cash and Carry Builders Supplies, \$5.77; Madoc Co-op Assoc., \$12.17; Pigden Motor Sales, \$186.43; R. Grant Brett, \$39.80; J. D. Lee Engineering, \$1,150.00; Madoc Agricultural Society, \$200.00; Clayton Martin, \$10.00; Murray Smith, \$319.00; Don's Gulf Service, \$124.09; J. E. Hailstone, \$62.52; Bristol-Myers Canada Ltd., \$27.50; Murray Smith, \$7.00.

Kirkwood — Smith — that the Town Hall be connected to the Water and Sewer Lines and a Washroom be installed. carried.

Council went into committee of the whole on By-laws with the Reeve in the chair.

T. C. Barton — Smith — that By-law No. 933, being a By-law to control traffic at the intersection of Durham and St. Lawrence Streets, be given the third reading and it is now passed. carried.

Council resumed as before.

On motion of T. C. Barton, the meeting adjourned to the call of the Reeve.

Olive G. Ashe,
Clerk-Treasurer.

Hastings County Natural Resources Club

The June meeting of the 4-H Natural Resources Club was held on Sunday, June 27th, at Plainfield. The Club has been given 200 acres of land to develop here.

First, all enjoyed a Weiner and marshmallow roast for dinner and then everyone strolled along the river shore to gather ideas and choose sites for development. Plans for a tent-trailer park were discussed before everyone left.

The next meeting will be held at the Ivanhoe Township Hall. All the members are to draw up plans for what they would like to see done to the development area.

If anyone showed up looking for a rock festival on the Quinlan farm near Queensboro last weekend, this is the large sign that greeted them, bearing the new dates of August 6, 7, and 8. However, police report that although July 3, 4, and 5 was the weekend originally set for a festival, there was no more than the usual amount of traffic and hitch-hikers in the area.

HERE'S A PROBLEM
BILL CAN'T SOLVE

By BILL SMILEY

We're in a terrible dilemma around our house these days. My wife is going off her nut worrying about the situation, my daughter is having bad dreams about it, and I, as usual, am being ground between the millstones of two hysterical women who expect me to come up smiling and with the right answers.

In this summer when there is so little employment for students, my daughter has two jobs available.

One, as I've mentioned, is at a hotel, waiting table in the dining-room. It's a pleasant place, over-looking the water. She likes the job and the people, chef, boss, and the other waitresses. The salary is well below the minimum wage, but the tips are good.

But there's the inevitable fly in the soup. There is no accommodation for the hired help, and the darn thing is ten miles out of town, in a small village.

As I have reported, this means that she must have transportation to and from the job or get a room in the village. She doesn't have a car or driver's license. A taxi would be \$2.50 each way and there goes a day's tips.

So I've been driving her to work in the mornings and her mother picking her up in the afternoons. Even the kid realizes that this is somewhat of an imposition, if we expect to have any holidays this summer.

An alternative would be to get a room in the village. As she puts it, this would be like going into a nunnery. Which, at age twenty, unless your tendencies are nunish, and hers are not, is not too appealing.

However, like most teapot tempers, something could probably be worked out. Now comes the dilemma. She has been offered another job as a waitress right here in town, five minutes walk from home.

The wages are better, the tips poorer. The work is just about as hard. It's right on the main street, and hotter than hades in summer. She doesn't know whether she likes the boss.

Up to now she's been working only part time at the hotel, usually weekends, but can be on full time during July and August. She has already worked two shifts at the restaurant, on a trial basis, and they've offered a full time job.

Isn't this a sad story? The poor kid doesn't know what to do. She likes the first one better, but the second has no transportation problem.

And of course a waitress hasn't much security these days, or ever. She could be fired from either job if business fell or she got blisters and couldn't walk or she had a run-in with the chef or dropped a tray of food on the customers (which I did one time, though it wasn't food, it was beer).

The whole thing is complicated by the fact that her mother was a waitress for a couple of summers at the same age, and thinks she knows all about everything and keeps pok-

ing her nose in.

The irony of the situation is that if she diddles around and doesn't make up her mind, she could wind up without any job, and knowing my daughter for twenty years, I have a feeling this is exactly what will happen. This would give her a perfect excuse to go off hitchhiking to Vancouver or Charlottetown, which she'd much rather be doing than working, as who wouldn't.

As you can see, the whole thing is a tragedy in a teaspoon, but you've no idea how we burn the midnight oil, the three of us, turning over new leaves and unturned stones, building up one job and then knocking it down with the other, doing sums, calculating tips, considering the personalities of cashiers and cooks.

If something isn't settled soon, I'm afraid Kim is going to decide that the great world of free enterprise is too baffling and opt out. And if something isn't done soon, I'm afraid I'm going to decide that the whole world of student employment is too baffling, and take off on a solitary holiday, leaving the two women to sort it out for themselves.

Bethesda United Church, Crookston, was the scene of a very pretty wedding on June 15th at 2:00 p.m. when Eva Ieta, only daughter of Mr. and Mrs. Earl Holland, became the bride of John Thomas Dwyer, only son of Mr. and Mrs. Frederick Dwyer of Sulphide.

Rev. Hope Swayne officiated at the marriage on Saturday in St. Mary Magdalene Church, Picton, of Vesta Elizabeth Davey, daughter of C. D. Davey, Picton, to Everett H. Alexander, Madoc, son of Mr. and Mrs. J. Alexander.

Deaths — Mrs. Sarah Maria Crawford of Madoc passed away in Belleville General Hospital on Sunday, June 23rd. Her husband, the late C. C. Crawford, passed away several years ago. She was 76 years of age.

John Atwood Ash, 72, died on Saturday, June 15th, 1946, at the family home, Niagara Falls, N.Y.

following a lengthy illness. Deceased was born in Huntingdon Twp. His wife, Maria Jane Ash, one daughter and one son survive.

Mrs. Laura Addy, daughter of Mr. Gawley and the late Mrs. Gawley of Alberta died in the Sanatorium in B.C. on May 26th. She is survived by her husband and her father, and was formerly a resident of this district.

15 YEARS AGO
June 28, 1956

Messrs. Tom Beatty, Kelvin Kincaid and G. C. Moon represented Centre Hastings High School Area Board at the Annual Convention of Urban and Rural School Trustees' Association held at Bigwin Inn this week.

About seventy pupils of Grades 7 and 8 of Madoc Public School enjoyed a bus trip to Toronto last Friday. They were accompanied by their teachers, Principal Marshall, and Mrs. Florence McCoy. A visit was made to the Parliament Buildings, Museum, and other places of interest.

Thomas Kelvin (Kelly) Brownson, 31, of Toronto was one of four persons who were killed in a car crash on 401 Highway, two miles east of Oshawa early Tuesday morning. Police said the two seriously injured survivors of the crash were not able to give a coherent account of the accident, but it is believed that one car was travelling in the wrong lane, after making a wrong turn 15 miles back. The two cars crashed head-on, scattering parts of the cars for a hundred feet. It was described as one of the worst seen on a super highway in the province. Mr. Brownson is the son of Mr. and Mrs. Arthur Brownson of Eldorado.

Miss Vankleek left Madoc on

Wednesday of last week. She intends spending four months visiting the British Isles, France and other European countries.

The season for taking Maskinonge and Bass opens on Sunday, July 1st, and fishermen are reminded that the Madoc Kiwanis Club are again sponsoring a contest for the largest Pickerel, Bass and Maskinonge taken from the waters of Mokra Lake.

Birth — In Belleville General Hospital on Sunday, June 10, 1956, to Mr. and Mrs. Tom Lindale, a daughter.

Death — Ill for the past six weeks, Mrs. Bertha Jane Morgan, Crookston, died at her home on Wednesday. She was in her 83rd year. Her husband, Amos Morgan, died in 1923. Surviving are four daughters and three sons. There are 17 grandchildren and 13 great grandchildren.

The sympathy of the Bannockburn community is extended to Mrs. Herb Wood on the death of her mother, Mrs. Freeburn, at Flinton last week and also to the many other relatives in this vicinity.

CARDS OF THANKS

The McCoy family wish to thank
 their friends and neighbours for
 the kindness shown, the help given,
 the cards of sympathy, the dona-
 tions to the Heart Fund and the
 floral tributes during and since the
 loss of Barney.

We would like to say many
 thanks to the Harts-Riggs Com-
 munity for the lovely folding table
 and chairs.

Your thoughts and kindness are
 appreciated and will always be
 remembered by us.
 Bonnie (nee Griffin) and Thomas
 Langford.

I would like to express my sin-
 cere thanks to all my kind neigh-
 bours, friends and relatives for the
 many deeds of kindness, for flowers,
 cards, letters and visits, both while
 I was in the hospital and since re-
 turning home.

Gladys Bailey.

I wish to express my sincere
 thanks to all our kind friends and
 relatives, to Laurel Lodge, the Past
 Noble Grands' Club, Stirling, to
 White Lake choir and White Lake
 U.C.W. and to St. Andrews W.M.S.
 Group, West Huntingdon for gifts
 and for the many beautiful get well
 cards.

Also I wish to thank Rev. Heard,
 Small and Munro for kind Hos-
 pital calls and to Drs. Briggs, Greene
 and Seward and to all the nurses on
 7th level for wonderful care during
 my stay in Belleville General Hos-
 pital and since my return home.

Sincerely,
 Mrs. Goldie McInroy.

I wish to thank all who visited
 me during my stay in Belleville
 Hospital. Special thanks to Rev.
 Thompson and Rev. Sedgwick for
 their calls.

Clifford McEwen

I would like to express my thanks
 to all who sent cards, flowers and
 good wishes while I was in the Bel-
 leville General Hospital.

I am happy to be completing my
 recovery at home.

IT'S COMING, IT'S COMING!
 "THE HOLE IN THE WALL"

FRIENDLY HINTS

GETTING THE BUGS
OUT OF FARMING

It's fly time — which means it's
 the time of year when fly popula-
 tions are building up for the annual
 summertime pest explosion. It's the
 time when dollar losses can be ex-
 perimented by dairymen, beef and
 hog farmers from diseases trans-
 mitted by flies, or by loss of blood
 (and thus reduced milk flow) from
 the blood sucking flies and other
 pests.

The experienced farm business-
 men will recognize the two major
 steps for control. One is sanitation
 in the stable and barnyard, the
 other is chemical control.

Your stables should be cleaned
 every day in the warm weather,
 including calf pens, and bull pens,
 if you keep a bull on the farm.
 Your fly control will be less effec-
 tive, however, if you don't clean out
 the manure in the barnyard once
 every five days. If you must store
 manure for longer periods, store it
 in one, steeply-sloped pile.

Screens on the milk house door
 and windows are a must. Where
 stable and piggery walls and doors
 are fly proof, then window screens
 on stable windows will be useful in
 fly control.

Chemical control has two ap-
 proaches; use of contact or vapor
 chemicals, or residual and bait chem-
 icals. Chemicals are the most ef-
 fective, providing also that you be-
 gin using them now before fly popu-
 lations get too large to control.

These chemicals — Cygon 4E, Ron-
 nel, Pyrethrin, clodrin, dichlorvos,
 rotenone and Ruene — are all mod-
 ern agents incorporated in the Co-op
 pest control program for houseflies,
 horn flies, stable flies, lice, warble
 flies, mosquitoes and other pests.
 Some are in powder form, some as
 vapor strips, some as sprays and
 some as concentrates for back rub-
 ber application. Each has its use,
 and will help your livestock manage-
 ment program.

Finally, be sure of one thing,
 follow the directions on the pack-
 age for your safety and the safety
 of others.

KIWANIS PLANNING STAGE SHOW and STREET DANCE

The Kiwanis Club of Madoc is busy these days preparing for the big annual stage show and street dance featuring the All-Canadian Cross Country Jamboree, starring the singing Post Family, stars of radio, T.V. and records, and the Jamboree's own Cherry Valley Sweethearts with a special guest star, Miss Cindy Lane from Oshawa. Mr. Keith Tompkins will be m.c. for the program, introducing such stars as Gord Grills and the Road Rangers with Canada's first lady of the fiddle, Miss Judy Eikhard, Rip

Sanders from Peterborough, the Livin' on Easy Street Boy and Madoc's own Billy Toms and Little Cindy Toms.

The stage show, games, modern and old time dancing will take place on Wednesday evening, July 28th. If it should rain, the program will be held in the Kiwanis Centre. Refreshment booths will serve hot dogs and cold drinks and Kiwanians will be selling draw tickets for four prizes of \$50, \$25, \$15 and \$10, respectively, at 25c each. Bring the whole family. Admission: Adults, \$1.00; Children, 50c.

BOARD OF EDUCATION HOLDS LENGTHY MEETING

At the regular meeting of the Hastings County Board of Education held in the Board Room, 208 Bridge Street East, Belleville, at 7:30 p.m. on Monday, June 28th, sixteen members were present.

Following the reading and approval of the minutes of the last regular meeting, a number of items of business were dealt with, part of which follows.

On motion of Mr. E. Robinson, seconded by Mr. J. Spry, it was decided to change the name of the Actinolite Public School to Bridge-water School, effective July 1st, 1971.

It was moved by Mrs. M. Graham, seconded by Mr. N. McKibbin, that a committee, comprised of representation from trustees, principals, teaching staff and others to be co-opted, be formed to study and report on the following before December, 1971.

(1) the feasibility of beginners being admitted after December 31st on their fifth birthday, providing they can be satisfactorily accommodated in terms of physical space and teacher strengths, within their school districts.

(2) where the three-entry system is in operation, to give consideration to admitting beginners at age five instead of five years, four months, with the first four months half-day attendance.

(3) the committee investigate the implications of a pre-kindergarten programme within the County.

(4) the committee make a careful

evaluation of the alternate full day kindergarten to decide the merits of its continuance.

Mr. M. Waller seconded the motion of Mr. N. McKibbin that the following schedule of individual fees, calculated in accordance with Section 190A of the Schools Administration Act be adopted for the 1971-1972 school year — Kindergarten, 1/2 day, \$6.00; Kindergarten, other fraction of day, (based on \$12.00); Kindergarten, full day, \$12.00. Elementary, Grades Years 1-8, \$12.00; Primary Opportunity Class, \$30.00; Junior Opportunity Class, \$22.50; Intermediate Opportunity Class, \$22.50; Senior Opportunity Class, \$18.00. Secondary, Grades 9-13 (Years 1-5), \$36.00. Retarded Schools, Half-day attendance, \$36.00; Full day attendance, \$72.00.

It was moved by Mr. J. Clarke, seconded by Mr. J. Pollis, that the Board's Administration prepare a report, including recommendations, as to any action the Board should take toward necessary restoration, including fencing, landscaping, etc., in connection with the Trotter and Keller properties adjacent to Centre Hastings Secondary School in Madoc, and with particular reference to the effect of the recent building program on these properties.

Following an extension on the time for adjournment for the purpose of giving consideration to further urgent items of business, the meeting was closed on motion of Mr. E. Robinson, seconded by Mr. C. D. Brant.

INCREASED ASSISTANCE LOWERS INSURANCE COST

The Government of Ontario has announced it will increase its assistance to the Ontario Crop Insurance program. The Hon. Wm. A. Stewart, Minister of Agriculture and Food, announced in the Legislature near the end of June this year, that the Government of Ontario will increase its contribution to the cost of the crop insurance premiums in the fall of 1971, to 25 per cent from the present 5 per cent.

Since the introduction of crop insurance in Ontario, under the authority of the Crop Insurance Act (1966), the two levels of government, provincial and federal, have been contributing significantly toward the cost of this insurance. The total cost of administering the program has been shared equally by the two governments, and the cost of the farmer's premiums has been subsidized to the extent of 25 per cent by the Government of Canada, and 5 per cent by the Province of Ontario. The farmer has been paying only 70 per cent of the cost of the premium, which in turn has not reflected any of the costs of administration. The Government announcement indicates that Ontario will increase its contribution to the premium subsidization from 5 per cent to 25 per cent on all crop insurance policies, effective with the fall wheat policies covering the crop planted in the fall of 1971. Participating farmers will then be paying only 50 per cent of the actual premium cost of crop insurance protection.

The Ontario Crop Insurance Program has expanded steadily since

it was introduced in 1967. This year, the Crop Insurance Commission is offering 12 plans covering 13 crops: winter wheat, spring grains, forage, grain corn, soybeans, white beans, potatoes, tomatoes, green peas, sweet corn, apples, and corn silage. In addition, in 1971 the Commission made available "Bare Ground" coverage to provide compensation to growers who have insured their crops with the Commission and are prevented from planting due to adverse weather.

In announcing the increased government assistance to the Ontario Crop Insurance program, the Minister noted, "Crop insurance in Ontario has always represented good value for the money invested. With the Government of Ontario absorbing a greater proportion of the cost of the program, it means that crop insurance will be an even better investment for the farm people of this province in terms of security and peace of mind. We hope this net reduction in premium costs will result in a substantial increase in producer participation in the Ontario Crop Insurance program with attendant benefits to all."

"JESUS PEOPLE" VISIT MADOC

On the July 1st weekend, a group of young people, called the "Children of God" from Detroit, U.S.A., arrived in Madoc. They joined with the local Christian Penetration team in an attempt to bear witness to the Christian faith in Madoc, Tweed, Belleville and Picton, and wherever teenagers meet. Many of the so-called "Jesus People" are from the hippie or drug-using culture, but have become radical Christians, giving up all of their former hang ups and becoming ardent missionaries for Jesus Christ.

I have to admit, in all of my experiences as a minister of the Gospel I have never witnessed greater dedication to the Christian cause in my life. If they have possessions, they sell out and turn the money over to their organization to further the cause of Christianity. Closer to their base in Texas, they will go in to rock and pop-festivals and try to help the kids find the real meaning for life, not by drugs or alcohol, but by Faith in their new-found Savior, Jesus Christ. If they can get food, they endeavour to share with others whatever they have. It's rather radical isn't it, in our selfish greedy so-called free enterprise system? These young people will go to any extreme for their cause. There is nothing more important to these young people than winning people to Christ.

They are not part of any existing religious body. In fact, they see the present Church order as out of touch, spiritually empty and dead.

Now whether these young people are totally right on every point or not, you can decide, but they are spreading through U.S.A. and now

starting in Canada. I feel they can not make our problems any worse. In fact, they may just save America from complete moral and spiritual collapse.

Luella and Hugh Barker, honoured guests at the testimonial dinner.

GILMOUR NEWS

Teacher Honoured At Testimonial Dinner

(From our Gilmour Correspondent)

Inspector Glenn Watson with his wife, Board of Education member, J. Follis and his wife, family (husband, Hugh, sons Guernsey and Lee with their wives), friends, faculty members, and both former and present pupils joined in a testimonial dinner at Gilmour United Church on Friday, June 4th to honor Luella Barker, long-time resident and faithful teacher in our area.

Mrs. Barker was born in Uxbridge Township to Mr. and Mrs. Lewis Tomlinson. A brother, Harold, is also a teacher. Luella attended Marsh Hill School (Elementary Uxbridge Township), High School at Uxbridge and Peterborough Normal School.

Her teaching experience began at Faraday S.S. (about 8 miles S.W. of Bancroft.) While teaching in above school, Luella met Hugh Barker. Northwest of Bancroft, in the Maxwell Settlement School, was her second position.

Luella married Hugh Barker in 1936 and settled in a farm home near Ivanhoe. Two boys were born to this union, Guernsey and Lee. (Both sons have university education and are married). After moving to their present farm near Eldorado, Mrs. Barker returned to the teaching profession.

In Madoc Township, it was the Plain Settlement School. Johnson's Corners School in Elzevir Township came next. In Madoc, it was then Cooper School. For the past 19 years, Gilmour Public School has been privileged to have Luella as teacher of grades one through four.

All who know Mrs. Barker, are aware of her faithful interest in the children under her care. It is a splendid education just to know and speak and work with her. The love she has for animals, especially horses, is easily seen in her hobby of oil painting. Children have indeed been fortunate to have art-training with her guidance.

From one of her one-roomed schools, a pupil of Luella's, comes a professor at Waterloo University. Gilmour School, its staff and pupils will miss Luella when September rolls around. May the years ahead be rich in memory and full of new activity. The community gave a lovely swivel rocking chair and a tape recorder as tokens of their

esteem. A reception followed the dinner (Gilmour United Church ladies outdid themselves in preparing and serving a most delicious repast!) at 8:00 p.m. in Gilmour Public School. Many parents, former and present pupils were there to add their good wishes to those that had gone before. A sumptuous lunch was served, pictures were taken and years were bridged by face-to-face conversations.

June has been well filled with weddings! Beginning with the June 5th marriage of Dennis Bruce and Deanna Gruntz. Relatives and friends gathered in Gunter Free Methodist Church where Rev. and Mrs. Bert Moore and Rev. and Mrs. Simon Brownson shared the wedding ceremony. A wedding dinner was prepared and served at the home of the bride's parents, Mr. and Mrs. Cecil Gruntz (whose 23rd wedding anniversary occurred on the same date). McArthur's Mills (the home of the groom) was the scene of a reception and wedding dance the same evening. The couple have settled down in Gilmour. Best wishes to them.

Just two weeks later, at Mt. Zion Church, Gilmour, Bruce Poulain (of Gunter) and Peggy Wannamaker (from Coe Hill) said the vows that made them man and wife. Stan Robbins had the privilege of joining these two. A wedding supper was held in the basement of the church. Mr. and Mrs. Poulain will be staying in the Amos McMurray cottage at Mt. Zion Camp, Gunter Lake, after returning from their wedding trip.

More wedding bells rang on June 19th. Mr. and Mrs. Oscar Phillips of St. Ola, gained a son (Wayne Nicholson) when Miss Dougherty, minister of the United Church, joined Wayne and Gale Phillips together in holy wedlock. Congratulations also to this couple!

Congratulations to Mr. and Mrs. David Raymond (nee Judy Phillips) with the safe arrival of their first child, a son, 8 lbs., 15 oz., on Saturday, June 26th at 3:00 p.m. This is a third grandchild for Mr. and Mrs. Gilbert Phillips.

A baseball tournament is being held today, June 29th, in Gilmour School from 9:30 a.m. to 3:00 p.m. Will let you know the outcome next week.

The North Hastings Plate Pushers had their regular meeting on Monday evening, June 28th. In 15 weeks, we have lost over 300 lbs. It isn't easy, is it girls? With clubs in Port Credit, Streetsville, Ottawa, Pembroke, Ajax, Gilmour, etc. (District No. 5), it was most pleasing for our club to receive a \$5.00 cheque, won with the most net loss of weight per member for the month or May. Beginning July 1st to September 30th, a summer contest takes place. This will keep us on our toes and watching more pounds disappear. This is a district contest with prizes promised to the winners. Pearl Daeoe of Coe Hill was the weekly Queen for the 5th time! (With a net loss of 3 lbs.) She was also Queen for the month of June in a total loss of 11 lbs. Keep up the good work, Pearl!

Township of ELZEVR and GRIMSTHORPE AUDITOR'S REPORT

May 31, 1971

The Reeve,
Members of Council,
Inhabitants and Ratepayers
of the Corporation of the
Township of Elzevir and Grimsthorpe:

I have examined the 1970 financial statements of the Corporation of the Township of Elzevir and Grimsthorpe, which are listed on the attached Index. My examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Corporation of the Township of Elzevir and Grimsthorpe, as at December 31, 1970, and the results of its operations for the year then ended, in accordance with accounting principles, generally accepted for Ontario Municipalities, applied on a basis consistent with that of the preceding year.

MADOC LADIES DOWN SPRINGBROOK

Last Tuesday night the Madoc Ladies softball team won their second straight ball game when they defeated the Springbrook Flyers at the local ball park with a score of 21-15. Bernie Derry pitched the complete game for the win.

Last night the Madoc Ladies made it three in a row, with a 13-12 win over the Foxboro Fluffs. Bernie Derry contributed a home run and was the winning pitcher, while Helen Demille was the losing pitcher in a see-saw battle. The team will be looking for four wins in a row when they meet Cooper on Thursday night out at the Cooper Ball Park.

WEDDING

MR. AND MRS. ROSS GRATTON

GRATTON — HOWARD

Trinity United Church, Madoc was the scene of a pretty spring wedding on Saturday, May 8th, 1971, when Hendrika Lillian (Ria) Howard of Peterborough, daughter of Mr. and Mrs. John Howard of R.R. 3, Madoc, became the bride of W. Ross Gratton, son of Mrs. Margaret Gratton of Havelock and the late Mr. Robert Gratton. Rev. D. W. Heard performed the double-ring ceremony at twelve noon.

Wedding music was rendered by Mrs. William Aylsworth of Madoc.

Given in marriage by her father, the bride was lovely in a floor-length gown featuring short puff sleeves and a stand-up wedding ring collar, trimmed with a dainty edge. The trim also outlined a wide waistband, to which was gathered to a full skirt. A long rounded train fell from a large bow at the back waist. Her short bouffant veil with scalloped edges was attached to a floral headpiece, from which fell streamers of dainty flowers. She carried a bouquet of pink rosebuds and white carnations on a bible, with white ribbon streamers.

The bride's only sister, Miss Dinnie Howard, was maid of honour, who wore a dainty pink floor-length gown with a gathered bodice, full skirt and long full sleeves gathered to wide cuffs. She wore large pink flowers through her hair and carried a bouquet of white and pink 'mums on a bible.

Little Miss Linda Allan, friend of the bride, was flower girl, who wore a floor-length white gown with a pink ribbon accenting the empire waist. She carried a nosegay of

white and pink 'mums on a bible.

Best man was Mr. Glen Dafoe of Havelock, friend of the groom and ushers were Mr. Bob Howard and Mr. Eric Gratton.

Master Kevin Allan, also a friend of the bride, was ring bearer, who carried a white satin cushion. He wore a white jacket and dark pants. For the reception held in the church parlours, the bride's mother received the guests wearing a yellow lace coat and dress ensemble, yellow hat and gloves, brown accessories and an orchid corsage.

Assisting, the groom's mother wore a turquoise lace dress and coat ensemble with white accessories and an orchid corsage.

For the wedding trip to Niagara Falls through New York State and returning by the Thousand Islands, the bride donned a navy pant suit and white accessories, complimented with a corsage.

Out of town guests were present from Brockville, Belleville, Baltimore, Peterborough, Trenton and Smith Falls.

Mr. and Mrs. Gratton are residing at R.R. 3, Havelock.

HONOURED AT SHOWERS

Previous to her marriage, Mrs. Ross Gratton, nee Ria Howard, was honoured at bridal showers by Carol and Lamoine Foley of Madoc, Grace Howard and Lillian Dafoe of Havelock, Kathy Nix of Peterborough and the Hart's-Riggs' Institute of Madoc.

Following her marriage, she and her husband were given a dance and shower by the community of Havelock at the Havelock Community Hall.

Cooper Ladies Win Eighth Straight Game

On Thursday, July 8th at the Cooper Ball Park, the Cooper Comets defeated the Madoc ladies 14-3 in a game that saw Cooper take the lead in the first inning, scoring six runs.

Batteries for Cooper were Lorna Matthews and Jane Bailey. Some of the power came from the bats of Jane Bailey, Joan Bailey, Rosanne Chapman and Karen Bailey. This is the eighth straight win in as many games for the Cooper ladies.

The interest of so many fans has been a great asset to the team.

Madoc Talk Kings Win First Of The Season

The Madoc Squirt team defeated Stirling 11-8 Monday night at the Madoc Ball Park. Led by the pitching of Glen Brown and catching of Ricky Perry the local boys put together a good team effort to win their first game.

Madoc lineup is as follows:

Brian Hyde, 3rd; Larry Kirkwood, SS.; Wayne Willemssen, 2nd; Glen Brown, P.; R. Perry, C.; Mike Bossio, L.F.; Tim McCann, 1st; Scott Chapman, R.F.; Ricky Bossio, C.F.; and Peter Piszczek, Spare.

SOME FACTS ABOUT MERCURY IN FISH

The maximum acceptable concentration of mercury in edible parts of fish for human consumption is set at one-half p.p.m. by the Federal Food and Drug Directorate. This standard was chosen on the basis of animal toxicity experiments and studies of humans poisoned by mercury from contaminated fish and shellfish in Japan. It contains a safety factor to protect individuals who are heavy fish eaters or who may be unduly susceptible to mercury poisoning.

According to a report issued by the Department of Lands and Forests in May this year, fish with mercury levels averaging one-half p.p.m. or more in Molra Lake were Pickerel, Pike, Smallmouth Bass, Maskinonge, while those with average levels below a half p.p.m. were Yellow Perch and Bullhead.

The Department reports that the danger of eating fish with more than a half p.p.m. of mercury would depend on the frequency of fish consumption, the amount eaten, and the mercury concentration in the fish consumed. Also, there is considerable variability among individuals in susceptibility of mercury poisoning. No danger is likely with occasional (once per week) consumption of fish containing a half to one p.p.m., with the exception of pregnant women. Women of child-bearing age should probably not consume any fish containing more than a half p.p.m. mercury.

Measuring mercury concentrations in fish is a complicated laboratory procedure that can be done only with specialized equipment and trained analysts. The results of a mercury analysis are reported in parts per million (p.p.m.). One p.p.m. indicates one part of mercury in one million parts of fish (water not removed) fish flesh, and is equivalent to one ounce of mercury in approximately 60,000 pounds of fish.

Fish take in mercury through the skin and gills, as well as their food. Various types of mercury compounds, both industrial and natural geological compounds, are nearly insoluble in water. These compounds settle on the river or lake bottom, and are converted by bacteria in

Auctioneers of the Central Auction Company from Brighton who will be Auctioneering at the Madoc Hobby and Antique Show this weekend.

MADOC HOBBY and ANTIQUE SHOW THIS FRIDAY and SATURDAY

This weekend a new venture for a rural town in the tourist area of Ontario will take place in Madoc.

This Antique and Hobby Show

will be held in the Kiwanis Centre and the Centre Hastings Secondary School.

Dealers in coins, stamps, guns, antiques, minerals and other items will be on hand to buy, sell or trade. They will also appraise your collectables free of charge. Competitive displays will be in the Kiwanis Centre and there are over 20 junior competitors, most of them local boys and girls; the senior division includes displays from the U.S. and Canada.

At the Centre Hastings Secondary School there will be a large auction of antiques and collectable items and a complete catalogue of these items is available at the Review office now or at the school or the Kiwanis Centre the day of the sales. The auction will take place from 1 p.m. to 10 p.m. each day and from the catalogue you can judge when different items (there are 1,600 items) will be sold, as the Auctioneers will sell approximately 90 items an hour.

The Auction is free, while there is a small charge for admission to the Kiwanis Centre to see these displays and enjoy yourself at one of the most outstanding auctions ever held in rural Ontario.

LOCAL and PERSONAL

AT HOME

Mr. and Mrs. Kenneth Bateman, 113 St. Lawrence St. West, Madoc, will be at home to relatives, friends and neighbours on Sunday, July 25, from 2 to 5 p.m. and from 7 to 9 p.m. on the occasion of their 50th wedding anniversary. No gifts please.

Mr. Ross McNaught and son, John Ross, of Tweed, visited at the Review office last Friday afternoon.

Miss Deanne Duffin, Kirkfield, spent two weeks holidaying with her grandparents, Mr. and Mrs. Gerald Blackburn, Eldorado. Mr. and Mrs. Bruce Duffin spent a few days at the same home, Deanne returning home with them.

Mr. and Mrs. Walter Henry, Mrs. J. Arkless of Cobourg, Mr. and Mrs. Goldie Holmes and Mrs. Raymond Declair and children of Queensboro spent a day recently with Mrs. Fred Holmes, Madoc.

Mrs. John L. Holmes of Tweed spent last weekend with her sister, Mrs. Ward Holland of Madoc so Ken and Ruby could attend the Holland-Crayton wedding in Ottawa on Saturday.

Mrs. Ward Holland, who was unable to attend the wedding got quite a surprise Saturday evening when the bride and groom came in to see Grandma and she was also presented with a lovely plant.

Mr. and Mrs. Roy Holland, Eric and Brenda, of Campbellford, also Mr. and Mrs. Ernest Waite, Belleville, and Mr. and Mrs. Ernest Holland of Eldorado, also attended the wedding at Ottawa.

ADOPTION

SALMOND — Bill and Gail (nee Wartman) are happy to announce the arrival of their chosen son, Jerry Randall. A baby bother for Jeffrey and Judy.

Re: Review Holidays

During the last week of July the Review will be closed to enable the staff to enjoy their annual vacation. The office will not be open from July 26th to August 2nd.

The paper will be published next week as usual, but there will be no issue on July 28th.

FESTIVAL INJUNCTION DECISION TOMORROW

The fate of the Madoc Township rock festival slated for August 6, 7 and 8 is still undecided after a court hearing in Toronto yesterday. The judge's decision will be handed down tomorrow.

The injunction was a second attempt by authorities to ban the Rock Acres Peace Festival. A court hearing in the Supreme Court of Ontario in Belleville on June 8th ruled out all possibilities of their festival being held on the originally scheduled dates of July 3, 4 and 5. Organizers, L.E.J.J. Enterprises, the family company composed of Leon Quinlan, his brother, James Jr. and the Township was the basis of their father, James, sponsors of the festival to be held on their home farm near Queensboro, said that failing to comply with by-laws by

defence in yesterday's hearing.

Since rescheduling the festival for the first weekend in August, the brothers have been busy working on the roadways on their farm, having completed the construction of a one-mile exit roadway as well as a separate one-mile emergency roadway. They say they have lined up two tanker trucks to supply fresh water to festival-goers and thirty security guards will patrol the grounds 24 hours a day. The two presently have 15 pop music groups under contract for the occasion and they say five more contracts will be signed this afternoon. As soon as the decision is released tomorrow, if it is in their favour, the Quinlans have plans to commence work immediately on installing 400 washrooms on the 200-acre farm.

Minor Accidents Involve Area Residents

Two minor accidents occurred in the area during the past week involving area residents.

Last Friday evening, July 9th an accident occurred on Hwy. 62 north of here involving three vehicles. Driving a 1964 Oldsmobile was 19-year-old Donald David Wannamaker of Madoc Township who was in collision with a 1963 G.M.C. half-ton truck driven by 52-year-old John Moon and a 1967 Dodge driven by Earl Thomas Stewart, also 52, of R.R. 3, Pine Acres, Trenton. John Moon received minor injuries and the other drivers escaped uninjured. Damages were estimated at \$400 each to the Moon and Wannamaker vehicles, while the Stewart car was not damaged. There were no passengers reported in any of the vehicles involved, according to Provincial Police.

A second accident occurred on Monday, July 12th involving Madoc Township Reeve Cecil Woods whose 1967 Dodge was in collision with a 1961 Triumph at the junction of Highways 7 and 62 just north of the village. Driver of the Triumph was Gary Douglas Symons and O.P.P. report that injuries to the drivers were minor.

KELLER FAMILY HOLDS REUNION

The annual Keller Reunion was held recently at Riverside Park in Belleville. About forty members of the clan were present.

After grace was said by Joyce Keller, everyone sat down to a delicious dinner.

After dinner a meeting was called to order by President Herb Keller. The minutes of the last reunion were read by Sadie Keller standing in for absent Secretary-Treasurer, Betty Frost.

Officers for the upcoming year were elected as follows: President - Bruce Keller; Secretary-Treasurer - Brenda De Castris; Adult Committee - Bessie Tebworth; Children's Committee - Sharon Kent.

It was decided to hold our next reunion at Riverside Park on the last Sunday in June 1972. All were in favour.

A social time followed the meeting with a few prizes awarded as follows: Oldest Man - Ernest Fitzgibbon; Oldest Lady - Lucy Phillips; Largest Family - a tie between the Gordon Keller family and the Sharon Kent family; Those coming the farthest - Lucy and Harry Phillips; The most recently married couple - Mario and Brenda De Castris.

Children's games were conducted by Sadie Keller.

Mrs. Chas Murphy and family, who are: top row, left to right, Charlie, Mike, Bill, Mart and John; seated left to right, Mary, Susan, Mrs. Murphy and Madeline.

MURPHY FAMILY REUNION

The first annual Murphy family reunion was held at the farm of Mr. and Mrs. Ralph Ackerman, south of Belleville on Sunday, June 27th. Fr. Peter Murphy of Madoc and Fr. Pat Carthy of Flinton, both close friends of the Murphy family, celebrated an outdoor folk mass with Fr. Jim MacGillivray and Fr. Ken Stitt of Belleville.

In a short sermon, Fr. Carthy commended Mrs. Charles Murphy Sr. for her perseverance and hard work

raising eight children. "When the need arose, she put her shoulder to the plow and never looked back," he said in paraphrasing the scripture reading. Fr. Carthy called upon the gathering to realize that "it is through many sacrifices on her part that everyone is here today celebrating mass together". He pointed to her "unshakeable faith in God" as an example to all present.

Mrs. Murphy's eight children, their wives and husbands and 26 of

her 23 grandchildren came from Peterboro, Douro, Vernonville, Bonnaville, Madoc and Bancroft for the occasion. Also present were Mrs. Charles Hogan (Mrs. Murphy's sister), her two sons and their families, cousins from Toronto and many friends.

Following the mass, the crowd of 84 enjoyed a pot luck picnic outside and music provided by several talented members of the family.

EDITORIAL

RE "LETTERS TO THE EDITOR"

The Review is always pleased to receive a "Letter to the Editor" and encourages people to express their views through this medium on local matters of interest.

We find it necessary, however, in view of the often limited space available for individual letters, to ask persons submitting such letters to exercise much greater brevity in future in their remarks. Otherwise, particularly when the editor would find it difficult to edit and shorten the contents of a letter without curtailing its effect, we would likely have to reject overly-long letters from publication completely.

We state this, fully realizing from our experience in editorial writing how difficult this can sometimes be when there are many interesting points of discussion to be aired when composing an article. It is often not easy to state one's views without being overly verbose (or, to use a more common colloquial expression, "too long-winded"). However, we are aware of your problem and we trust future editorial letters will show the results of our efforts in this direction. Certainly, and we believe this to be true of all newspapers, the briefer, more concise the article or letter submitted, the better chance of it appearing in print, if the subject matter is otherwise acceptable. "Brevity is the soul of wit," said Shakespeare, but in the newspaper game, it is often a necessity.

Incidentally, we would like to point out that we neither endorse or condemn the writer's views.

We would also like to emphasize the necessity of having all such letters signed by the writer, as they will not be considered for printing unless this is complied with.

When, in our opinion, one subject has received sufficient publicity and airing, the editor will call a halt to publishing of further letters on that subject, having considered it has received its full and warranted space in this newspaper. Letters which repeat views similar to those already stated and printed may be curtailed in the interest of avoiding redundancy and conserving space.

WEDDING

A wedding ceremony in Madoc Pentecostal Church was solemnized recently, when Marlene Lillian Sandford, daughter of Mr. and Mrs. Thos. Sandford, Bannockburn, became the bride of Keith George Fenton, son of Mr. and Mrs. Maurice Fenton, Marmora, Rev. Donald McEwen officiating.

Given in marriage by her father, the bride wore a beautiful gown of white flocked voile fashioned with an Empire waist. Pearl buttons and lace enhanced the bodice, and the long sleeves were caught at the wrists with velvet bands and pearl buttons. Her finger-tip length veil was of nylon tulle held in place with a crown of satin petals, strewn with roses and seed pearls. The entire costume was arranged and made by the bride. She carried a bouquet of sweetheart roses and baby's breath.

She was attended by her cousin, Mrs. Jas. Burke, who was gowned in full length multi-coloured nylon sheer, cape sleeves and frilled at the bottom. She wore a large white straw hat with pink trim and carried white bridal roses.

The groom was attended by Mr. Mark McNamara, Marmora, and the usher was Mr. Glen Fenton, brother of the groom.

Mrs. J. Donly played the traditional wedding music.

The reception was held in the Legion Hall, where the bride's mother, receiving the guests, was attired in a blue rayon crepe dress, white accessories, and wore a corsage of pink Queen Elizabeth roses.

Assisting, the bridegroom's mother wore a pink and blue floral jersey dress with a sleeveless coat of polyester satin, matching hat and white accessories. Her corsage was

of blue cornflowers and pink sweetheart roses.

For the wedding tour to Niagara Falls, the bride travelled in a mauve knit, V-necked dress with high waist and white accessories complemented with a corsage of white shasta mums and mauve star flowers.

Following the reception, the guests called at the bride's home to see the many beautiful gifts.

Upon their return, they took up residence at 16 Nash St., Marmora.

BANNOCKBURN

During the week, the following relatives called on Mrs. M. Simpson, Mr. and Mrs. Dick Lummiss, Marmora, and Mr. and Mrs. Arthur Simpson, Oak Ridge, and on Sunday guests were Mr. and Mrs. Deering, Dunnville.

Mr. Harold Sandford and daughter Deborah, Oshawa were recent guests of Mr. and Mrs. Burton Sandford.

Mr. and Mrs. Carl Rollins and daughter, Los Angeles, California were guests of the latter's sister, Mrs. Wilfred Sandford, last week.

Mr. and Mrs. J. G. Holley, Newmarket called on Mrs. Donly on Monday, and Mr. and Mrs. M. Kobelka, Chatham, were callers on Friday.

Mr. and Mrs. Thos. Sandford and Janie, spent Sunday in Marmora, guests of Mr. and Mrs. Harold Sandford and family.

Mr. and Mrs. Frank Palmer spent most of the week at their cottage at Moira Lake.

Mrs. Eva Davidson, Mrs. William, and Mrs. Palmer report a nice day on the bus trip to Campbellford on Tuesday.

SOME PIONEERS FOR KISSIN' COUSINS

By BILL SMILEY

By doing a little mathematics, I've come to the conclusion that I must be related to half the population of Canada.

I've just received a small booklet compiled by my uncle, Ivan C. Thomson of Ottawa. It sets forth the genealogy of my maternal ancestors in Canada.

Some people find their ancestors a huge bore. Others are afraid of skeletons in the closet. I find ancestors fascinating, as I try to picture them, think of the incredibly difficult lives they led, and wonder what characteristics I and my children have received from them.

My uncle's booklet is no high-coloured romance. It deals in facts: births, deaths, names, property titles. But among the pages is the occasional laconic comment which makes me wish I could leap back into the 19th century and explore further.

My maternal great-grandparents were certainly not of the aristocracy. He was a ship's carpenter, and that's one reason he, Walter Thomson and she Margaret Farrell, his new bride, set out from Donegal, Ireland, for St. John, New Brunswick, where there was a ship-building industry. He was 20, she 19. It was 1834.

Within a few years, with three children, they moved to Upper Canada, because Walter had heard of work to be obtained in the building of slides on the Upper Ottawa River.

These slides were built for the lumbering business which was skimming the cream from the stands of wonderful pine in the area. The purpose of the slides was to allow the cribs and rafts of square timber to bypass rapids. The timber was floated down the river, eventually to reach Quebec. Some of the great rafts were half a mile long.

In 1847, great-grandfather Thomson was appointed Slide Master of Grand Calumet Island in the Ottawa River. He held the position for more than 30 years, to be succeeded by his son William, my grandfather, who was to reign until the last raft of square timber came down the river in 1910.

That's the background. My mother's family attended a one-room school, boarded the teacher for \$45 a year. My uncle Ivan had a good job. He went to the school early in fall and winter, and lit the fire. He got \$3.00 a year. My grandfather got \$1.00 a day for his government position as Slide Master. Pay ceased when the navigation season ended, so the Master had to farm as well. There were ten in the family, and from what I've heard, they had a happy life on the island.

As a child, I saw the old homestead high on a hill overlooking the mighty Ottawa, and was thrilled.

But as I said, while the facts in the book are interesting, it's the little asides that inflame the curiosity.

The original family of Walter Thomson was eight children. They produced, among them, exactly 60 more Thomsons. Today, eight might produce 16.

Anna married James Paul. They had four children. "She also raised Johnnie Robertson." Now there's a story in itself. Who was Johnnie? Why did she raise him? What became of him?

John (Mountain Jack) was a timber cruiser and a real bruiser in the lumber-jack clashes of the times. "He had a terrible temper and was known up and down the Ottawa River as a scrapper." He died at 91, a pretty ripe age for a brawler who also sired 15 children.

W.I. ENJOYS DAY AT CAMPBELLFORD

The Eldorado and Bannockburn Women's Institute enjoyed a bus trip to Campbellford on Tuesday.

They were met by Mayor Morley Tanner, who escorted the ladies on a grand tour of the village. He described the new projects of the village, including the Community Centre and the New Filtration Plant, which is to be officially opened in August. Everyone enjoyed a pot luck dinner at Raney Park.

The group then toured the Campbellford Hospital, the Tanner Nursing Home but were not able to tour the Cooks Chocolate of Canada Ltd., due to rebuilding. However, all received a chocolate bar, compliments of "The World's Finest Chocolate."

Everyone returned home having spent a very enjoyable day at Campbellford.

Catherine "married George Kemp who was very fond of liquor". No other comment, except naming their children, with the last thus: "Jason was drowned at Temiskaming".

Another son, Walter, had nine children. My grandfather William had ten. A son James had eleven. The youngest daughter, Jane, must have realized that even such a good thing as Thomsons could go too far. She produced only two.

Anyone who can multiply can see why I have so many relations. The original two had grown to 60 in two generations. Heaven knows how many the 60 produced.

But I'd really like to go back and talk to some of the old-timers. They were virile people in more ways than one.

ELDORADO

Mrs. C. D. McCann spent a couple of days with Mr. and Mrs. Earl Wartman of Madoc.

Mr. and Mrs. Claude Blakely and family and Mr. and Mrs. Clifford Blakely and son of the U.S.A. are visiting friends and relatives in the area.

The Eldorado U. C. W. was held Thursday at the home of Mrs. Dan Robinson.

Mr. and Mrs. Don Love of Madoc were Friday evening visitors of Mr. and Mrs. Harley Blackburn and family.

Mr. John Reindeers and friends of Drayton were Saturday visitors of Mr. and Mrs. Wayne Blackburn and family.

Mr. and Mrs. Glenn Gryce of Belleville were weekend visitors of Mr. and Mrs. Clarence Stevens.

Visitors of Mr. and Mrs. Leonard Blackburn over the weekend were Mr. and Mrs. Albert Youngs of Peterborough and Mr. and Mrs. Allan Blackburn and son of Foxboro.

Mr. and Mrs. Clayton McCann of Peterborough called on Mr. and Mrs. Wayne Blackburn and family, Mr. and Mrs. Harley Blackburn and family and Mrs. C. D. McCann on Sunday.

Mr. and Mrs. Bud Johnson of Madoc were Sunday dinner guests of Mr. Mel Johnson.

During the week of July 2nd to July 9th, 1971, officers of the Madoc Detachment, Ontario Provincial Police investigated nine motor vehicle accidents, seven of property damage and two of personal injury with two persons taken to Belleville General Hospital.

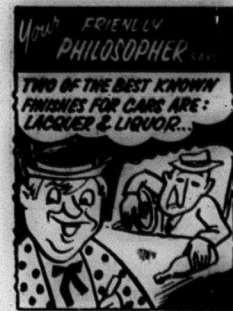

There were 43 charges laid under the Criminal Code of Canada, Highway Traffic Act, and Liquor Control Act. There were 21 traffic warnings issued.

There were 13 requests for assistance, with seven reports of thefts and six reports of breaking and entering. There were seven disturbances and 52 other general occurrences.

Seven hours were spent in Criminal Court, with Judge R. C. Jackson registering 17 convictions.

Tips For Safer Cycling: 1. Signal turns and stops with the proper signals — left arm out and up for a right turn; out straight for a left turn; out and down for a stop. 2. After signalling, return your left hand to the handle bar. 3. Ride in single file, close to the curb. 4. Carry parcels in carrier always. Remember a regulation bike is for one rider — No passengers allowed.

Looking Back...

50 YEARS AGO
July 7, 1921

About 75 pupils are attending the Summer Model School in town, in charge of Mr. R. A. A. McConnell.

Miss Aileen Higgs is in Belleville this week attending the summer school. She was sent as the representative of the Epworth League of the Methodist Church. Miss Mabel Cox is also in attendance there.

The weather — since the eighteenth of June the weather has been extremely hot and dry. Very little rain has fallen for some time and the crops, which everywhere looked so promising, are suffering much. The hay crop will be a failure and the highland's pasture are already bare and brown. The cry everywhere is for rain — to cool the atmosphere and to refresh the famished crops.

Queensboro News — Joseph Light, the 18-year-old son of Mr. P. Light, was drowned on Sunday afternoon while bathing near High Falls. It is supposed the boy had been in the water three hours when found, so there was no chance of resuscitating him.

Rev. Wm. Higgs is taking a month's holidays. In his absence, Rev. Dr. MacTavish will occupy the pulpit in the Methodist Church and will preach to a united congregation of Methodists and Presbyterians.

Gilmour News — Miss F. Barker has returned to her home in Bancroft, as her school has closed for the holiday. We are sorry to learn that she is not coming back after the holidays.

Birth — A little girl has come to reside at the home of Mr. and Mrs. Wellesley Holland, Crookston.

Weddings — St. Peter's Church was the gathering place for a large number of interested spectators on Thursday, June 30th, who witnessed the nuptials of Mr. Clarence James Houser and Miss Mary Kathleen Ellis. The bride was given in marriage by her father, Mr. W. K. Ellis. The service was conducted by the pastor of the church, Rev. W. MacTavish, B. D., Ph. D.

A quiet but very pretty wedding was solemnized at the home of Mr. and Mrs. Alex F. Reid, Stirling, on Wednesday, June 22nd, when their youngest daughter, Rosey Hazel, was united in the holy bonds of matrimony to Charles Seymour Waller of Sine. Rev. W. R. Archer performed the ceremony.

25 YEARS AGO
July 4, 1946

Mrs. Jennie Morrison and Mrs. C. Whytock spent a few days in Toronto during the past week. While in the city, they attended an executive meeting of the Red Cross of Ontario, at which Mrs. Morrison was presented with an honorary life membership of the Red Cross.

Promotions of Burris' School: to Grade II, Anastasia Tobin, Grant Ketcheson, James Covert; to Grade III, Doris Covert, Leo Darrah; to Grade IV, Geraldine Tobin; to Grade V, Frank Curtis, Barbara Curtis, Edward Tobin; to Grade VI, Eva Howard, Agnes Tobin, Betty Ketcheson, Vivian Post; to Grade VII, Gladstone Whitmore; to Grade VIII, Aileen Tobin, Ruth Howard; Entrance to High School, Lamoine Post (Honours), Ray Darrah, Eileen Whitmore, Sadie Tumelty, Teacher.

The following candidates were successful in passing the High School Entrance Examinations: Gladys Beaudrie, Grant Bronson, William Brownson, Jean Clarke, Muriel Conley, Ray Darrah, Charles Hamilton, Norma Herrington, Patricia Lockhart, Marilyn Mahar, Yvonne Morgan, Lamoine Post, Douglas Radnor, Wanda Reid, June Robinson, Margaret Roushorne, Wm. Spry, Barbara Stevens, Carol Symon (highest standing), Carl Tanner, Murray Thomlinson, Cody Wheeler, Eileen Whitmore, Roy Woods.

On Wednesday afternoon, June 26th, Mrs. S. E. Morton of Belleville entertained at a trousseau tea in honour of her daughter, Isobel, who was married on Saturday, June 26th.

The ladies of Cooper and Remington met at the home of Mr. Jim Rollins Saturday afternoon, June 26th, to honour Rayburn Rollins and his Scotch war bride, Edeline McCoy presented them with a chenille bedspread and Mrs. Rex Rollins read the address, which included the following poem:

"As you travel along the highway of years,
May you travel in high, and never shift gears,
With plenty of joy and never a shrink,
And a joy-filling station in every block."

Birth — Mr. and Mrs. Clarence Stevenson, Eldorado, are happy to announce the arrival of a son at the Belleville General Hospital on Saturday, June 26th, 1946.

Weddings — The residence of Mr. and Mrs. F. Kelly, Crookston, was the scene of a very pretty wedding on June 26th when their daughter, Hazel Luella, became the bride of Charles Burton, son of Mr. and Mrs. Henry Moore, also of Crookston.

A lovely June wedding took place at 1:00 p.m. in Côté Hill United Church on Saturday, June 29th, when Shirley Norine, daughter of Mr. and Mrs. R. P. Gunter, became the bride of Royal Fredric Turner, son of Mr. and Mrs. Charles F. Turner of Kemptville.

St. John's Presbyterian Church.

Toronto, was the scene of a very pretty wedding on June 29th, when Hazel Marguerite McCann, second daughter of Mr. and Mrs. G. McCann, was united in marriage to John Douglas, son of Mrs. A. Newman and the late J. A. Graham of Elmville. Rev. J. Rupert Stewart performed the ceremony.

A beautiful June wedding was solemnized on Saturday, June 29th, in St. Thomas' Church, Belleville, when Mary Isobel Morton, daughter of Mrs. S. E. Morton and the late Rev. S. E. Morton, became the bride of Rev. William James Robinson, Tweed, son of Mr. and Mrs. A. T. Robinson of Kemptville.

Deaths — Suddenly in Toronto on Tuesday, July 2nd, 1946, Norman A. Bailey, youngest son of Mrs. Bailey and the late Thomas Bailey, Huntingdon Township.

15 YEARS AGO
July 5, 1956

An average of over ten cars per minute passed through Madoc Village on No. 7 Highway last Sunday afternoon, during Ontario's first summer long weekend.

The farm of Leonard Trotter in Madoc Township will be the scene of classes for cattle judging next Monday, July 9th. It is expected that ten or twelve judges will be present and the classes will be under supervision of Professor Rathby of the Guelph Agricultural College.

Although the fishing has not been very good at Moira Lake during the past week, several muskies have been landed, the largest of which weighed 19 pounds. This was caught by an American visitor who has been fishing here for the past ten years.

Mrs. George Duffin opened her attractive new home to the Trinity Ladies' Club for a successful Pot Luck Salad Supper early in June. Following the regular business, the members were entertained by a most original program arranged by Mrs. Jud McGowan. Brides of some years ago modelled their own wedding gowns and gave a somewhat humorous account of their own wedding.

Mr. James Ruxton was presented with a lazy boy chair by the staff of the Department of Lands and Forests, Tweed District, prior to leaving for his new position with the head office of the Department in Toronto.

A large number of friends and neighbours gathered in Huntingdon Hall, Ivanhoe, on Friday evening to honour Mr. and Mrs. Edwin Welch, nee Eleanor Reid.

Births — At Belleville General Hospital on Thursday, June 28th, 1956, to Mr. and Mrs. Clifford Smith, a son, Lyle William. A brother for Edmund and Dale.

Mr. and Mrs. Arthur Purdy (nee Edeline McCoy) are happy to announce the arrival of a son, Robert Arthur, in the Oshawa General Hospital on June 21st, 1956.

Deaths — ill for the past four months, Peter Anderson, one of the oldest residents of the Queensboro District died at Belleville on Monday, July 2nd, in his 94th year.

As a result of being struck by a motor car in Belleville, Mr. Oscar William Wannamaker of Belleville died suddenly on Saturday, June 30th at the General Hospital, in his 69th year. He was formerly of Bannockburn. He is survived by his wife, the former Mary Hagerman, one daughter and two sons.

The death of Thomas Kelvin Brownson of Toronto occurred on Monday night, June 28th, in a car accident on Highway 401 near Whitby. He was in his 32nd year. He was the son of Mr. and Mrs. Ar-

thur Brownson of Madoc Township. His widow, the former Louvain Sharp, to whom he was married on April 28th, survives him, as well as his parents, six brothers and four sisters.

IN MEMORIAM

REYNOLDS — In loving memory of son and brother, Jack Reynolds who passed away July 16, 1970. One year has passed since the Parting of one we loved so well. But fond memories of him still lingers in our hearts never to be forgotten.

Sadly missed by Mom and Dad, sister Helen and Brothers Leo and Bill Reynolds.

BRUCE — In precious memory of a dear brother, Robert James who passed away July 14, 1965. God gave us a precious brother. The dearest in all the world. He fashioned his smile out of sun shine. And moulded his heart out of pure gold.

It broke my heart to lose you, But you didn't go alone. Because part of me went with you. The day God called you home. So please God take a message. To my dear brother up above. And tell him that I miss him. And give him all my love. Ever remembered, ever loved by your sister Jean.

BRUCE — Treasured memories of a dear son and brother Robert James who passed away July 14, 1965.

How constantly we think of you, With heart and eyes that fill. The love we had in life for you. In death grows stronger still. A never ending sorrow and ever aching hearts. The day we lost you dear Jimmie. Our world just fell apart. Ever loved, ever remembered by Mom, Stepfather, Sisters and one Brother.

FRANK — In loving memory of my dear late husband Harold, who passed away July 5th, 1969. Sadly missed by wife Helen, Mr. and Mrs. A. Young, and Merita, Bob and wee Robbie McGregor.

WILLMAN — In loving memory of a dear husband, father and grandfather who passed away July 18, 1969.

"Sadly missed along life's way. Quietly remembered day by day. No longer here our lives to share. But in our hearts he's always there."

DEATH

Lajoie, Matilda Mary — Of Tweed, on Saturday July 10, 1971 at Hastings Manor, Belleville. Daughter of the late Mr. and Mrs. Louis Fortin, Beloved wife of the late Levi Lajoie. Dear mother of Mrs. Chris (Evelyn) McGrath, Peterborough, Alphonse, Tweed, Steven, Toronto, Mrs. Fred (Cecil) Rivers, Tweed, Mrs. Michael (Mary) McCormick, Tweed, Levi, Actinolite. Half sister of John Lajoie, Mrs. Addie Brunson, Peterborough, Mrs. Delphine LaPrairie, Bay City, Mich., in her 100th year.

Mrs. Lajoie rested at the Cassidy Funeral Home, Tweed. Requiem Mass was held on Tuesday, July 13 at 10:30 a.m. in St. Carthage's Church, Tweed.

Interment, St. Carthage's Cemetery.

MADOC SENIOR CITIZENS

Twenty-eight members and friends of the Senior Citizens Club of Madoc and District met at the United Church basement for their regular meeting on Wednesday, July 7th.

Euchre and crokinole games were enjoyed, following which the meeting was called to order by president, Mrs. Broadworth and several matters of business were discussed. It was decided that the next meeting would take the form of a picnic, to be held at the Price's Conservation Area on Wednesday, July 21st. Members are asked to meet at the church at 2 p.m. Bring a pot luck lunch and beverage. In case of rain the meeting will be held in the church basement as usual.

The club was happy to welcome back a member, Mr. Broadworth. He thanked all his friends for the many kindnesses shown him during his long stay in the hospital and

Well-known Kennebec resident Ross Baker is understood to be planning a Country and Western Jamboree at Baker's Valley featuring name stars as well as local talent, with perhaps a "come-one-come-all" flavour to it. This sounds like fun. Know where your fiddles are?

CARD OF THANKS

I wish to thank my friends and relatives for flowers, cards, candy and visits, both while I was in the hospital and since returning home.

A special thanks to Rev. Thompson, Dr. Derry and Dr. Scott.

SUMMER SOIL TESTING

I suppose many farm businessmen take soil tests, or have them taken, at a time of year when the results are timely for spring planted crops. But how many of us pay enough attention to having soils tested for the late summer of fall planted crops?

Dairyman and crop farmers will be getting ready in a few weeks to put fall wheat into the ground, or fall planted forage crops. Market gardeners will be planting fall crops of lettuce, cabbage and other greens before too long.

Sure, the ground is hard in many locations right now because of the lack of rain and the extreme heat, but it isn't impossible to get the necessary samples that you need. And don't you agree that a soil test now is going to be more useful to you, than one taken in October?

It is a good idea to have the soil test results about a month before you plant your fall crops. It takes a little while to get the results, so you should move on it sometime in early July.

Summertime is a good time to consider liming your soil, if you happen to have land that needs it. And it doesn't matter to the crop when the lime is applied. The only way you can tell this is to have the soil pH tested. If you do need lime, you are going to need to work with your Agricultural Representative if you want to capitalize on the freight subsidy, so contact him first.

since his return home. The members were also pleased to have Mrs. Revoy and Mr. Eric Raney with them again, and were sorry that Mrs. Wright and Mrs. Yearwood have been ill at their homes. The Club hopes they are feeling better by now.

A delicious lunch was served by the lunch committee and a social half hour brought another pleasant afternoon to a close.

Mr. and Mrs. Doug Chapman, Mr. and Mrs. Elwood Graham left on Saturday morning for a trip out West and to attend the Calgary Stampede.

OBITUARY

JOHN ALEXANDER MOORCROFT
R.R. 2, Stirling

Stricken with a heart attack as he dismounted from his farm tractor, John Alexander Moorcroft died suddenly at his home on Saturday, July 10, 1971. He was in his 79th year.

Born in Madoc Township, he was the son of the late Mr. and Mrs. Thomas Moorcroft and had farmed in the Stirling area for the past 37 years, moving there from Big Island.

He attended public and high school at Madoc and was a graduate of Ontario Business College in Belleville. He was a member of the United Church, and of L.O.L. No. 300.

He is survived by his wife, the former Laura Irene Barragar, three daughters, Mrs. Hilda Cathcart and Mrs. J. L. (Kathleen) Alletson, both of Burlington, and Mrs. G. H. (Theda) Eckert of Willowdale, and two sons, Warren, R.R. 2, Stirling, and Melbourne of Alberta.

Also surviving are nine grandchildren, six brothers, Fred, Robert, George, Harry, Stanley and Roy, and five sisters, Florence, Estella, Minnie, Bertha and Alma.

A lodge memorial service was held Monday night at the Hogle Funeral Home in Stirling with the funeral held at 1 p.m. on Tuesday at the funeral home. Interment in Glenwood Cemetery, Picton.

The Urea Question - Barry Kowalchuk, Dairy Cattle Specialist: We continually receive inquiries on the use of urea with dairy cattle. They ask "What effect does urea have on cow reproduction?" The best recent report came out June 22 from Michigan State University. The news release is as follows: "East Lansing, Michigan - Urea has no effect on reproduction in Michigan dairy herds, according to a survey by Michigan State University scientists."

O.P.P. "Hitchhikers" Information Pamphlet

Recent years have seen a substantial increase in the number of people walking and hitchhiking on multi-lane controlled access highways in Ontario. Their presence has been found to contribute to, and in some cases cause, motor vehicle collisions resulting in deaths, injuries and property damage.

Legislation prohibiting pedestrians on certain sections of controlled access highways, including the ramps, has been in effect since 1967. Enforcement of this law has had positive results.

Today however, a summer spent hitchhiking has become a way of life for many young Canadians. Many of these people, often unknowingly, contravene the law by soliciting rides on highways where pedestrians are prohibited.

In an attempt to further inform the public of the prohibited areas, the Ontario Provincial Police have published a pamphlet graphically illustrating the highways on which pedestrians are not allowed. These pamphlets are available free of charge at all O.P.P. Detachment offices and at most Provincial Tourist Information Centres.

The survey involved 85,000 cows in 720 commercial herds.

W. L. Ryder, who did the research at MSU, said that the survey was made because some veterinarians and farmers feel that urea decreases dairy cow fertility. Ryder, now an extension livestock specialist in Dubuque, Iowa, reported to dairy experts at the 66th Annual Meeting of the American Dairy Science Association held here June 20th - 23rd.

"During the five-year study neither the amount of urea fed nor the length of time that urea was fed affected reproductive efficiency," Ryder said.

According to Dr. Donald Hillman, MSU dairy scientist, survey data was collected from Dairy Herd Improvement Association records from 1965 through 1969, using calving interval as a measure of reproductive efficiency.

"The average calving interval for cows on urea supplemented diets and cows on non-urea supplemented diets was 381 days," Hillman said.

Do's and Don'ts of Home Freezing - Elaine Struthers, Home Econ-

omist: At this time of year when housewives are preserving fresh garden vegetables and fruits, a great many questions arise about the correct use of the home freezer. Perhaps this will help answer a few that have come up in your home.

Be sure to read and follow the manufacturer's instructions for using your freezer. Do not freeze more than the recommended quantity of food at one time. Thoroughly cool all foods before placing them in the freezer. Keep your freezer clean and well organized at all times. Wire freezer baskets will help eliminate the need to turn the contents of your freezer "upside-down" each time you take something out of it.

Be sure to follow the processing directions for the various foods you are freezing. Remember that to achieve a quality product, you must begin with a quality product and use quality procedures.

Most vegetables must be blanched before freezing. This involves bringing the vegetables to a boil for a short time, (usually one minute) and then rapidly cooling them and packaging them in air-tight mois-

ture-proof containers. This is necessary to prevent flavour, colour, texture and food value changes during storage.

For best flavour, colour and texture, fruits should be fast frozen with sugar or in a light syrup. Many fruits (especially peaches and apples) brown during storage. This can be prevented by dipping the fruit in a solution of water and ascorbic acid (vitamin C) before freezing. Ascorbic acid tablets can be purchased at your drug store and directions for preparing the solution can be found in almost any freezer manual.

The most commonly asked question is what to do when the power fails... or the freezer breaks down... or the children pull out the plug. Keep the freezer lid tightly closed. If your freezer is full, the food will stay frozen for at least 48 hours; if it is half full, about 24 hours. Dry ice can be placed in the freezer to extend this period.

Refreezing food is generally not recommended. Under certain circumstances some foods may be safely refrozen, although texture, colour,

flavour and food value will be affected.

For further information you can pick up the publication "Notes on Home Freezing" at your local Ontario Department of Agriculture and Food office.

Recent Publications: Available on request from the Stirling office.

They are in Factsheet Agdexsheet printings of single or double page size. Ask for them by number and title on following list: 1. Feed Terms Defined; 2. Veal Production; 3. Calf Pneumonia; 4. IBR in Beef Cattle; 5. Minerals for Dairy Cattle; 6. Calf Diarrhea in Beef Cattle; 7. White Muscle Disease of Calves.

FOREST ADVISORY BOARD INSPECTS WASTE DISPOSAL SITES

A meeting of the Forest Advisory Board of the Moira River Conservation Authority was held on June 16, 1971, at the Municipal Building, Cannifton.

Members present were: Carl Thompson Board Chairman, John Thompson Board Vice-Chairman, James Sprackett, D. H. Bateman and William Hiscock.

Also present were W. G. Bell Marmora Township Representative, The Assistant Resources Manager and the Secretary-Treasurer.

The Board inspected the Prest, Gordanier, Lowry and Hartin properties in Rawdon and Marmora Townships. W. Armstrong and C. Smith joined the Board to inspect the Brady property in the Downey's Rapids Area of Madoc Township for

a possible waste disposal site for the Village of Madoc.

It was unanimously agreed that there is no suitable waste disposal site on the Brady property, Lot 1, Concession 10, Madoc Township.

Following the inspection of the properties, a short business meeting was held at the Hartin property — Lot 17, Concession 8, Marmora Township.

Sprackett — Bateman that, the minutes of a meeting held on June 2, 1971 be adopted as amended.

The amendment referred to changes the wording of number 4 of the Boards proposed objectives from "To produce wood and wood products to support the water management aspect of the program"; to "To produce wood and wood prod-

ucts and to further water management objectives where possible".

J. Spry — J. Thompson — that, this Board recommend the retention of the Prest and Gordanier properties and acquire suitable adjoining properties if they become available.

Thompson — McLaren — that, this Board recommend the retention of the Hartin property as it helps meet the needs of the local residents.

The members commented on the excellent stands of spruce and pine planted on the Hartin property after it was purchased in 1960.

Spry — Hiscock — that, no action be taken at present to dispose of the Lowry property — part of Lot 15, Concession 10, Marmora Township.

It was recommended that members study the six proposed objectives of the Board that were presented at the June 2 meeting and be prepared to accept or present amendments at the next meeting of the Board.

Mr. W. Hiscock will decide which

group of Forestry properties will be surveyed at the next meeting of the Board.

The meeting adjourned at 6 p.m.
C. Thompson,
Chairman of the Board.

Witnesses To Attend Assembly

Jehovah's witnesses from the Madoc region are making final preparations to attend their "Divine Name" district assembly at Montreal's Blue Bonnets Raceway, July 14 to 18, announced Mr. Arthur West, local spokesman.

During the five days delegates will devote more than 30 hours of time to hearing and seeing Bible experiences, which will relate the dramas, discourses, discussions and Bible to modern living.

They will hear such talks as "Instruct Your Children", "Don't Become Discouraged By Materialism", and many others.

The Montreal convention is one of 40 in Canada and the United States to be held by the group during July and August. They are using the continent's largest auditoriums, ball parks and stadiums to care for the capacity crowds expected at each convention city. Total attendance is

anticipated to exceed 600,000.

Jehovah's witnesses are among the fastest growing religions of the world. During the past two years over 280,000 new ministers were ordained at their baptism ceremonies world wide. A highlight of the Montreal assembly will be a similar event on Friday morning at which more than 500 will be baptized as ordained ministers.

The climax of the convention will come on Sunday afternoon at 3:00 p.m. when Kenneth Little, overseer of Witnesses in Canada, delivers the public address, "When All Nations Collide, Head On, With God." Over 16,000 are expected at Montreal for this meeting.

"The convention will provide further proof that an old order is on its way out to be replaced by a new order of God's making, God's kingdom," said West.

Policy Amendment For Farm Enlargement Program A.R.D.A.

Situations have arisen where older farmers on uneconomic farm units with limited capital, who are unable financially to move to other areas of employment, or even to retire from their farm to urban centres, are requesting ARDA to purchase their property and lease it back to them.

The policy would apply to farmers 55 years of age or over and where there is evidence, supported by the information on Schedule A, that a financial need does exist, the vendor would be granted a life lease on the house and be allowed to lease the land for a five-year period with no option to purchase. The rental terms of this lease would be determined on the basis of the vendor's ability to pay and on recommendations of the Rural Development Officer. The lease on the Land could be extended on a yearly or five-year renewable basis to age 65 years if the land is being used for agricultural production, if the land is not needed by the vendor, the lease on the land could be discontinued and be leased to another applicant or reforested if the land is not suitable for agricultural purposes. The payment to the vendor would be made on a lump sum basis.

The application of this policy may not be widespread, however, this will provide ARDA with another alternative or tool to be used to more effectively assist low income farmers. Interested persons should apply to

Madoc Ladies Softball

On Thursday night the Madoc Ladies softball team travelled to Cooper looking for their fourth straight victory and they're still looking. Tiny Lorna (Speed-ball) Matthews stymied them with her high, low and in between ball with the final score being 14-3. Ma-

doc's own Bernadette "Knuckle Ball" Derry was on the losing mound. She had little help at the plate as all Madoc runs were scored in the last inning, a little late. On Wednesday night Madoc Ladies travel to Springbrook for their next game. The next home game will be against the same Cooper team on July 20th.

LETTER to the EDITOR

The Editor,
North Hastings Review,
Madoc,
Ontario.

Dear Madam:

Jamboree Music Festivals developing local talent deserve more recognition.

They represent entertainment far exceeding the gory motion pictures and T.V. selection available to the Common Man.

They offer Vocal, Instrumental and Comedian acts in the comfortable atmosphere of an old theatre.

Most important, they develop local talent providing us with a better awareness of our own capabilities.

MADOC TOWNSHIP LAYS CHARGES ON QUINLANS

L.E.J.J. Enterprises, consisting of James Quinlan, his wife Margaret, their sons, Leon and James Jr., this week were presented with an affidavit by the Madoc Township Council charging them with the violation of a land use by-law in another attempt to ban their proposed "Rock Acres Peace Festival".

The Corporation of the Township of Madoc has laid charges against

the Quinlans for failing to comply with regulations of By-Law No. 522, which prohibits the use of any land, building or structure in the Township for any purpose other than the use existing for such on the date of the passing of the by-law.

Township officials say that the Quinlans, who are planning a three-day peace festival of their 200-acre farm for the weekend of August

6th, 7th, and 8th, are defying the regulations of this by-law entirely.

The By-law was published in the local paper for two consecutive weeks after it was passed in Council and was thereby made known to the public. The by-law came into force on the day it was passed, May 15th, 1971, in an initial attempt by authorities to ban the proposed festival.

The purpose of the by-law is to prohibit all new development except agricultural uses, so that the new County Planning Program will not be impeded.

When a new use, which is not specifically permitted by the by-law, is proposed, then applications for such new development must be submitted to Council for study, who will then decide if the proposed applicant is in the best interests of the municipality. Only when Council sees fit will a separate by-law am-

ending By-Law No. 522 be permitted.

This is a third attempt by authorities to ban the festival.

The Township was successful in a hearing in the Supreme Court of Ontario on June 8th when they took out an injunction against the Quinlans to ban the festival originally scheduled for July 3, 4 and 5.

The family company then rescheduled the festival for the new dates of August 6, 7 and 8, saying the injunction pertained only to the July dates. They were successful in having the interim injunction turned down at a hearing in Toronto last week and have been proceeding with their preparations for the festival. It was since the judge handed down his decision last week that the Township Council decided to lay charges on the Quinlans for failing to comply with the land use control by-law.

Mr. and Mrs. Ken Cassidy Celebrate Silver Anniversary

On Saturday evening, July 10, a party was held in Actinolite town hall to celebrate the 25th wedding anniversary of Mr. and Mrs. Ken Cassidy of Queensboro.

To begin the evening, the family presented Mrs. Cassidy with a yellow mum corsage, and Mr. Cassidy with a boutonniere. Following this, approximately 85 friends and relatives danced to the music of the Land O' Lakes Trio. Near the end of the evening Mr. and Mrs. Cassidy were presented with a gift of Spanish coffee table, end tables and lamps from all those in attendance. Following this presentation a lunch was served, and the evening was concluded with more dancing.

The following day, a Sunday dinner was held at the home of Mrs. R. A. Sager in Queensboro. Approximately 25 members of their family gathered again to wish Mr. and Mrs. Cassidy well. At this time the couple were presented with a lovely gift of silverware from Mrs. Cassidy's mother, brothers and sisters.

During the weekend Mr. and Mrs. Cassidy received several other lovely gifts, flowers and cards.

Mr. and Mrs. Cassidy have four children: Mrs. Larry Jones of

Mr. and Mrs. Ken Cassidy

Tweed, Mrs. John Morgan of Madoc, Wayne and Gene both at home; and four grandchildren, Greg and Christine Jones and Lesley Anne and Kathy Morgan.

MADOC STREET DANCE NEXT WEDNESDAY EVENING

Next Wednesday night is the date scheduled for the Madoc Kiwanis Club big annual stage show and street dance, which always proves to be one of the largest attractions in the summer months here.

Entertainment will be provided by the all Canadian Cross Country Jamboree featuring the singing troupe family, popular stars of radio, T.V. and records. Being no strangers to Madoc, it was felt that those who have heard them before will want to hear them again.

The program will also include Gord Grills and the Road Rangers, with Canada's first lady of the fiddle, Miss June Elkhart. The Jamboree's own Cherry Valley Sweethearts will be there, as well as Madoc's Billy Toms and little Cindy Toms. From Peterborough, Rip Sanders, the Livin' on Easy Street Boy, will provide entertainment to

steal the hearts of young and old. The special guest star will be Miss Cindy Lane from Oshawa. Keith Tompkins will be m.c. for the program.

Those in attendance will be able to enjoy a variety of games and refreshments will be available. Following the stage show, modern and old time dancing will be enjoyed on the street.

This year, provisions have been made to hold the event in the Kiwanis Centre (armouries) in case of rain. The usual draw tickets will be sold and the lucky winners will be announced later in the evening. Four draws will be held, for prizes of \$50, \$25, \$15 and \$10 respectively.

Be sure to bring the whole family, as there will be lively entertainment for everyone.

LOCAL and PERSONAL

Miss Pamela Moon, granddaughter of Mr. and Mrs. P. M. Locke, Madoc has been awarded \$1,000.00 in scholarships and will attend Pima College in Tucson, Arizona this fall.

Mr. Edwin Austin of Lockport, N.Y. has been visiting his mother and stepfather, Mr. and Mrs. Allen Preisch of Eldorado during the past week. He also called on Fred Cassidy and family of Madoc.

Recent visitors at the home of Mr. and Mrs. Donald McKinnon of R.R. 2 Madoc were: Mrs. Jennie (Thompson) Baler of Winnipeg, Manitoba; Mrs. Fred Thompson, Mrs. Robert Krief, Gary and Lorie of La Riviere, Manitoba; Mr. and Mrs. Bruce Harrison, Lois, Ralph and Gary of Oshawa; Mrs. George Begley of Burlington; Mrs. Waring Willis of Bronxville, New York and Mr. Roy Palmer of Toronto.

Mrs. William Wannamaker of Corbyville and Mrs. Wilbert Loney of Belleville visited at the home of Mr. and Mrs. Walter Wannamaker last week, and attended the Wannamaker Reunion at Tweed on Sunday.

Mrs. John Boyd of Belleville, makes final arrangements to her collection of 170 Bells which won Best of the Show award at the first Madoc Hobby and Antique Show, held on the weekend at the Kiwanis Centre. Mrs. Boyd is a sister of Presley Nickle of Madoc.

Madocers Among Winning Exhibitors At Hobby Show

The Kiwanis Centre was filled to capacity last Friday and Saturday when over 1,800 visitors filed through to view the first Hobby and Antique Show ever held in Madoc.

The show featured a large variety of hobbies displayed by both collectors and dealers.

Antique guns, coins, stamps, bills, hand carved Eskimo art, vases, tropical fish and bric-a-brac of all kinds was on display.

On Saturday, awards were presented under various classifications, including the following:

— Best of the Show award to Mrs. Ann Boyd (formerly Ann Nickle of Madoc) for her collection of 170 bells, which she began collecting in 1945.

— The Dealers' display of antique firearms, rifles and muskets by Harold Sleeth of Brantford, whose collection dated back to the 18th

century.

— The best display of coins and stamps was owned by Stanley Peavor of Bancroft.

— Larry Kirkwood of Madoc won the Junior Display trophy in the age category between six and eleven, for his picture sets of Canadian hockey players from 1948, including numerous signatures of the professionals.

— Another Madocer, Linda Adams won the Junior display trophy in the over-11 age category with her display of military, plastic and shell buttons.

— Other winners are listed with the photo on this page.

At the large auction valuing more than \$30,000 in antiques, furniture and curios held in the gymnasium of Centre Hastings School, most people got very good bargains.

Among the rare items offered for sale was a cast iron mortar and pestle originally used at the Eldorado Gold Mine; a polyphon, an exceptional upright musical cabinet made in 1910 in Geneva, Switzerland by Baker and Troll in working order and complete with 75 26" brass tune discs. Other items sold included museum portneuf pottery bowls; a Romania pitcher from 250 B.C.; an old painted Etrusque "Compana" pitcher from a Greek colony in Italy, dating back to the 5th century B.C.; a cranberry opalescent epergne; a stereo viewer, complete with the pictures; and a very old mustache cup and saucer with beautiful gold trim and hundreds of other antiques. An immaculate settee and a set of wing-back chairs from the reign of Louis were a big attraction.

The Central Auction Company auctioned the antiques off at a rate of 90 items per hour and managed to get through the 1600 items with no trouble whatsoever.

Organizer, Mr. Weaver, said the entire program was a tremendous success and added that he intends to make this an annual affair.

NO PAPER NEXT WEEK

The Review office will be closed from July 26th to August 2nd, inclusive, to enable the staff to enjoy their annual vacation.

Therefore, there will be no paper issued July 28th and the next issue will be on Wednesday, August 4th.

LANDS & FOREST BUILDING DESTROYED BY FIRE

The 15-year-old Ontario Department of Lands and Forests Chief Ranger office and radio maintenance technical shop one mile west of Tweed was completely destroyed by fire early Sunday morning, and officers of the Ontario Fire Marshall's Office have not ruled out arson as a possible cause.

The blaze destroyed all the field records and a great deal of equipment. Nine charred filing cabinets contained the invaluable personnel, accounting and field records, which were completely destroyed, together with radio equipment, film projectors, tools, guns and ammunition.

The alarm was turned in at 5:22 a.m. by a Tweed village resident, Mrs. Doris Smith, which brought 16 men from the Tweed Volunteer Fire Department to the estimated \$23,000 blaze. According to Fire Chief Ross McNaught, the building was totally engulfed with flames when firemen arrived.

Nearby power lines from the village's power transformer were damaged by the flames engulfing the roof of the one-storey asbestos-siding building and the village was without electrical power for several hours until work crews repaired the lines.

As firemen were battling the fire in the ranger office, smoke was noticed in a nearby vehicle garage and cold storage building. After smashing through a door, firemen discovered flames eating into the side of the building near a pile of burlap sacks and cedar posts. It was the location of this blaze that prompted officials to consider fused radio lines as another possible cause

of the fire. Thousands of dollars in radio equipment were destroyed and if certain connections became fused, the connecting wires to the nearby garage could have overloaded, resulting in the second fire. The garage was saved from destruction.

Chief Forest Ranger, John Shala said he did not know if the office would be rebuilt, but said they would have to establish something somewhere.

The building was constructed in the early 1950's and an addition was made in 1957-58. Another addition was scheduled for the near future.

Officials of the Ontario Fire Marshall's Department are sifting through the rubble for possible clues as to the origin of the fire, which Tweed Chief McNaught says is highly suspicious.

During the winter, I literally grind my teeth when I know I must make a trip to the city. The idea sours my soul, my stomach, and my normally, sweet disposition.

I don't just think, I know what to expect during any part of the whole, of the 180-mile round trip.

"Freezing rain." That means crawling along, half blind, peering out the window because the windshield has a quarter-inch of ice on it, and wondering when some idiot is going to come out of nowhere and clobber you.

"Scattered snow flurries." That is a weather department euphemism, in these parts, for a howling blizzard. The only thing that is scattered are the wits of the weather forecaster.

"Slight drifting conditions." That means a 40 m.p.h. wind sweeping white clouds across the road just as some jerk is trying to pass you and there's a ten-ton gravel truck right in front of you.

Oh, they can't fool me. But I just grin and swear it. However, I get my revenge in July. I sit under my oak trees and chuckle — yes, chuckle — as I think of all those poor, tormented creatures belting their way through the mad traffic, trying to get where I am.

It's not a nasty chuckle. Those chaps have my utmost sympathy. It's just a little sort of revenge chuckle. The kind of thing you might hear Boris Karloff emitting as he sends his creator, Dr. Frankenstein, up in flames.

Sometimes, when my chuckle gets out of control, I am decent enough to take a walk downtown and stroll around looking at those sweaty, frustrated, infuriated tourists, snarling at their spouses and children.

My natural sentiments take over, and I can scarce forbear to weep, as I think of what they've been through to get here, what they are going through now, and what they have to do to get home.

When my emotion gets quite out of control, I sometimes drive soberly to the beach and survey the scene. This usually plunges me into further depths of compassion. Everybody is so fat.

Over here is a 200-lb. lady in a 12-ounce bikini, dragging two kids, a beach chair, assorted towels and 200 pounds. She is utterly miserable as the sweat destroys her makeup. And don't forget she has to walk half a mile back to the cottage, hauling whimpering offspring, and prepare dinner for her husband, who is fighting his way up through the circus on wheels, her mother and father, who have been invited for a week, her Aunt Jessie and Uncle Tom, who have just dropped in on their way through. For a few days. Poor lady.

And down there, near the water, is an elderly gentleman, flaming red from bald dome to calloused toes. Enjoying himself. His paunch begins just below his chin and continues almost to his knees. How

happy he seems as the children jump over him, spraying sand and cold water. What a delighted smile he produces when the teenagers' football hits him squarely in the belly. He's at the beach for two weeks, and he's having fun if it kills him.

The little kids are wonderful, too. Never a dull moment. If they haven't lost their sand-pail, they've cut their foot on a rock, or they want money for pop, or they're out too far, or they've simply vanished and are probably drowned.

And the teenagers are grand. It just restores your faith to see them go into the water occasionally. And there's something cute about the way they lie around on the beach, not smashing anything, or waving any signs. Just lying there, about eighteen kids to twelve feet of sand, smoking and chatting intellectually. It makes you feel sort of good all over, to know that they're not out on the highway, doing goodness knows what, but right here on the beach, doing nothing.

Golly, I envy those city people who come up north to get away from it all: the air-conditioned buildings, the home-cooked meals, the playgrounds, the privacy of their own backyards.

I wish I could get a break like that in the winter.

Holloway Couple Honoured

On Saturday evening, July 10th approximately 100 relatives and friends gathered at Bethel-Zion Community Hall to honour Mr. and Mrs. Eugene Kelly on the occasion of their 25th wedding anniversary. The hall was tastefully decorated with pink and white streamers and baskets of flowers and a lovely wedding cake.

The bride and groom were escorted to the front of the hall by their Mothers and presented with a corsage and boutonniere by niece and nephew of the bride.

Rev. Roy Taylor acted as master

of ceremonies with Mrs. Taylor at the piano. A short program arranged by Mr. and Mrs. Gordon Mitta was enjoyed by all consisting of a sing-song musical number by Wayne Greene and Steven Smith, Mr. and Mrs. Bill Kelly, reading by Mrs. Allyn Finkle, song by Karen McClean, Wanda and Cheryl Kelly and a game brought this to a close.

An address on behalf of the guests was read by Mrs. Laverne Carman. The couple received many lovely gifts. Gene and Audrey thanked all those present for gifts and party and each introduced their respective family and guests. This was followed by dancing, music supplied by members of the family.

Mr. and Mrs. Kelly (the former Audrey Carman of Eldorado) were married in Trinity United Parsonage, Madoc, on July 20th by the Rev. A. Poulter. Their attendants were Mrs. Elgin Moyne of North Bay, sister of the bride and Mr. Harry Morgan, Holloway, cousin of the groom. Both were present to celebrate the occasion with them.

A delicious lunch was served bringing the evening to a close. All departed wishing Gene and Audrey many more years of married life.

SOUPS TAKEN OFF
CANADIAN MARKET

OTTAWA — The Food and Drug Directorate of the Department of National Health and Welfare last week advised consumers not to eat soups sold in Canada under the Hickory Farms of Ohio, Ancora and Reese Finer Foods labels. These products are produced in the Newark, New Jersey plant of Bon Vivant Soups, Inc. Small amounts of these soups have been available for sale on the Canadian market, primarily in gourmet food sections of supermarkets and in food specialty shops.

In a previous announcement, the Directorate noted that a fatal case of botulism food poisoning in the U.S. has been associated with Bon Vivant brand vichyssoise soup and advised Canadians not to eat Bon Vivant brand soups and sauces until further notice.

The Food and Drug Directorate emphasized that no cases of botulism associated with soup products produced by Bon Vivant have been reported in Canada.

As an additional precautionary measure, however, consumers should not eat soups with Hickory Farms of Ohio, Ancora or Reese Finer Foods labels, until further notice. Stocks of these products are being removed from the market.

As a public health measure, food wholesalers and retailers are asked to cooperate in this action by making certain these products are not available for sale.

FRIENDLY HINTS

LIVESTOCK CHEWING HABITS

You may see your animal eating dirt, or chewing their pen walls, or even each other. Sometimes lack of minerals cause these problems. Self-feeding minerals will provide the individual animal with its own needs, if the ration doesn't supply it with enough mineral.

But it doesn't always cure the problem. For example, pigs will develop the habit of chewing each other's tails off. Some swine producers try to avoid this by docking the tails at birth, but often pigs will turn to chewing ears, when tails aren't available.

Giving the pigs more space, rubber tires or other chewable objects may minimize the damage to each other.

Pigs aren't the only offenders. It has been discovered that some horses will chew tails, when fed a completely pelleted ration. Some researchers believe it could be due to lack of roughage, but it could also be insufficient minerals for the individual horse's needs.

But all classes of livestock will turn to chewing wood, and you can only try to solve the problem by trying one curative step at a time. If mineral deficiency is not the problem, it may be due to some other nutritional problem that is yet unknown.

Some animals do have differing nutritional requirements than others. For example, researchers have found that pigs benefit from some factor or factors in soil, even when the pig eating the soil, also receives all the essential minerals in its ration.

It may be just a bad habit, or it could even stem from boredom.

"It's the man about the wiring, ma'am."

It's true, living in any older home without up-to-date wiring just doesn't hold a candle to truly modern electrical living.

The changes that electrical modernization brings will brighten your life throughout every room in your home — for years to come. You'll have more outlets and switches where you want them, better performance from your appliances — and you can even add the year-round comfort of electric climate control.

And rewiring an older home needn't be complicated or expensive. In fact, the cost will probably be less than you imagine.

For greater comfort and convenience — and an extra margin of safety, too — call your qualified Electrical Modernization contractor. Or ask your Hydro.

Looking Back...

50 YEARS AGO
July 14, 1921

Mr. Robert Galloway, his son and daughter, R. E. Galloway and Miss Gladys Galloway of California are in town visiting his sisters, Mesdames Tumelty, Dougan, Wright and Rollins. He was born and raised in Madoc, but has not been here for forty years.

Mrs. Jessie A. Sine of Williams, Arizona, is visiting her brother, Mr. George M. Wright, after an absence from her home town of thirty years. Mrs. Sine's youngest daughter is with her.

On Friday last the Madoc High School baseball team journeyed to Stirling to enter into a final and decisive contest with the Marmora Juniors for the Col. Rierdon trophy. Previously, home and home games had been played, resulting in a tie, so it was agreed to play a sudden-death game at the Agricultural Park, Stirling. The final score stood 18-13 in favour of Madoc, whose line-up was: Watson, P.; W. Rupert, S.S.; Burnside, 1B; E. Cross, C.; N. Cross, 3B; T. Rupert, 2B; Caskey, R.F.; Lovibond, L.F.; Jackson, L.F.

Reports of promotions, S.S. No. 13, Madoc — to Sr. V. Myrtle Rose, Honours; to Jr. IV, Alberta Love, Clayton Deane, Oliver Willis, Victor Lemmon; to Sr. III, Eleanor Kells, Honours; Leonard Trotter; to Jr. III, Frances Blecker, Honours; Maxwell Trotter, Honours; Edythe Kells, Honours; Hilda Deane; Mary Walsh, Patrick Walsh; to Jr. II, Mary Winfield, Gordon Love; to Jr. II, Janie Willis, Bertie Willis; Primer to 1st Book, Annie Love, Irene Blecker, Lily Moon, Laura M. West, Teacher.

McIntosh Bros. Clearing Sale — A splendid line of Gingham, sale, 4 yds., 98c; Print and Percal — all shades, American, best washing qualities, 98c; Bleached Cotton, suitable for sheets, pillow cases, etc., 6 yds., 98c; wide lace curtains, 3 yds., 98c; Coates 200 yd. thread, all sizes, 12 spools, 98c.

It is rather amusing to see the interest which is being taken in the question of short skirts, but for our own part, we think it is a matter which wise men will leave to the women to decide (they will do so anyhow). Ankle are no longer sinful. Short skirts give women a sense of exposure which at first embarrassed them. But now the embarrassment has disappeared. Open opportunity for open walking from the knees down has been openly arrived at. It marks genuine progress in feminine liberty of action. It is hoped that women never go back to the clogging long skirts.

25 YEARS AGO
July 11, 1946

Dr. William A. Mackintosh of the faculty of Queen's University and a native of Madoc, was awarded the C.M.G. in the recent King's honor list. During the war, Dr. Mackintosh was associated with the Federal Government in Ottawa in reconstruction affairs and a few months ago returned to his former capacity on the staff of the university. He left his native Madoc when a young man, and is a graduate of Queen's and Harvard Universities.

On Friday evening the parents and pupils of Rigg's School met in the school to bid farewell to their popular teacher, Mrs. Percy Smith, who has taught there for eight years. Mr. and Mrs. Smith will take up residence at Springbrook.

A very pleasant social evening and presentation was held at the home of Mr. and Mrs. Earl Holland, White Lake, on Friday evening when some sixty neighbours and friends gathered to honour Mr. Elvin Holland, only son of Mr. and Mrs. Holland, and his bride, nee Margaret McTaggart of Sulphide; and Mr. John Thomas Dwyer, son of Mr. and Mrs. Frederick Dwyer of Sulphide, and his bride, nee Eva Ileta Holland, only daughter of Mr. and Mrs. Earl Holland, both recently married.

On Monday evening last a party was held in the Orange Hall, Queensboro, in honour of Pte. Allan Gordon, who recently returned home from overseas.

On Friday afternoon a pantry shower was held in Queensboro Uni-

ted Church Sunday School rooms for Miss Bernice Sager, a bride-to-be.

In a recent jingle contest sponsored by the Quaker Oats Company of Canada Limited, Miss S. Hatch, daughter of Provincial Constable and Mrs. Jack Hatch, Madoc, was among the winners who will receive a two-way Talkie set.

Weddings — A military wedding was solemnized on Wednesday, June 26th, in Christ Church, Belleville, by the Rev. J. Grant Sparling, assisted by the Rev. J. W. Platt, when Doris Winnifred, daughter of Mr. and Mrs. William Andrew of Roslin, became the bride of Flt. Lieut. Clifford Gordon Walker, son of Mr. and Mrs. Floyd Walker, Sask.

The marriage of Doris Eileen Ellis, daughter of Mr. and Mrs. Goldie Ellis, Madoc, to Robert Arthur Murray, son of Mr. and Mrs. George Murray, of Oshawa took place in King Street United Church, Oshawa, last Friday afternoon.

A pretty wedding took place in St. Peter's Church, Queensboro, on Saturday, June 29th with Rev. Fr. Hyland officiating when Dora Agnes, daughter of Mr. and Mrs. Percy Franklin, was united in marriage to Leo John James Hachey, son of Mr. and Mrs. Victor Hachey, Arnprior.

A pretty wedding took place in the United Church, Whitby, on Saturday afternoon, June 29th, of Thelma Marie Foster, daughter of Mr. and Mrs. Carman Foster, Whitby, and Jack Aubrey Westlake, son of Mr. and Mrs. Edward Westlake of

Belleville.

The marriage took place in Christ Church, Belleville, on Saturday, June 29th, of Aleta Maud Kelly, daughter of Mr. and Mrs. Charles Kelly of Malone, and Thomas William Lummiss, son of Mr. and Mrs. Charles Lummiss of Marmora.

On Saturday, June 29th, a quiet wedding was solemnized at St. Michael's Rectory, Belleville, when Agnes Kathleen Deadey of Belleville became the bride of Joseph N. Brinnell.

Deaths — The funeral of Rae Henley, who died suddenly at Millbridge on Saturday, June 29th, took place from his late residence in that village in Monday, July 1st, to Fox's Church, Eldorado, where service was conducted by Rev. J. L. Hutchinson. In his 31st year, Mr. Henley died instantly when struck by a flying scantling which penetrated his chest, while working at the Davis sawmill. He is survived by his wife, the former Violet Lees; his parents; and five children.

Norman Abram Bailey, a former resident of the Madoc district, died suddenly in Toronto on July 2nd. Born in Madoc Township, he was the son of Mrs. Lillian Bailey and the late Thomas Bailey, and was in his 37th year.

15 YEARS AGO
July 12, 1956

At the regular meeting of the Madoc Village Council on July 9th, it was moved by Stewart Derry that the Bancroft Division of the Department of Highways be requested to proceed with the paving of the connecting link of No. 7 Highway from junction No. 62 to Concession Road

in the Village of Madoc under the Highway Improvement Act.

Miss Barbara Bateman of Madoc has joined the staff of the Bank of Montreal in Tweed. She has been attending Madoc High School. Miss Barbara Whalen, who has been a member of the staff for the past two years, has resigned.

Rev. F. E. Dunning, pastor of the Standard Church in Belleville for the past two years, will preach his farewell service on July 15th. He has been appointed to the Madoc charge and will be moving here to assume his new duties.

The Madoc Brass Band is in Bancroft today, leading the parade at the Orange Celebration in that village.

Miss Elizabeth Baker, daughter of Mr. and Mrs. Jack Baker, was among the students from Toronto who left last week for Europe, where they will tour the British Isles and European Countries.

Dr. S. R. Berry of Ottawa has joined Dr. A. G. Allen in partnership for the practice of medicine in Tweed.

Births — In Belleville General Hospital on Tuesday, June 26th, 1956, to Dr. and Mrs. G. L. Mullin, a daughter, a sister for Michael.

Weddings — A pretty wedding took place on Saturday, July 7th, at the home of Mrs. George Adams, when Madeline Beatrice Cole of Madoc became the bride of Leo Norton Hart of Fenelon Falls.

The home of Mr. and Mrs. Morley Phillips, Stirling, was the setting for a pretty wedding on Saturday, June 23rd, when the Rev. Arthur Packman united in marriage Wilma Faye Phillips - Ley and George Elvin Maxwell Carr, of Stirling.

Deaths — T. Harry Burris died at the home of his daughter, Mrs. Lorne Aiyee, on Saturday, after a illness of 16 weeks. He was born in Madoc 82 years ago, being the son of the late Mr. and Mrs. Jackson Burris. He had been a resident of the Prince Edward County for the past 51 years. He was a retired farmer, and

is survived by three daughters and three sons.

Mrs. Emma McConnell of Port Hope, formerly of Melrose, passed away at the Port Hope Hospital after a short illness, in her 84th year. She was born in Madoc Township, a daughter of the late Mr. and Mrs. Richard Davis.

IN MEMORIAM

FITZGERALD — In loving memory of a dear husband, who passed away a year ago today, July 29, 1970.

How I remember that bright and sunny day,

How happy we were,

I still hear your voice and laughing,

As you left, I'll be back soon,

As I was waiting for your return,

A dark cloud passed over,

And deep silence as the clock stopped movement.

The shock I received that day,

My heart still aches with sadness,

Secret tears still flow.

When days are sad and lonely,

And everything goes wrong,

I seem to hear your whisper,

Cheer up and carry on.

Each time I see your picture,

You seem to smile and say,

Don't cry I'm only sleeping,

We will meet again some day.

Lovingly remembered by wife Alice.

IN MEMORIAM

FITZGERALD — In loving memory of a dear father and grandfather, Percy J., who passed away one year ago on July 29, 1970.

You suffered much in silence,

Your spirit did not bend,

You faced your task with courage,

Until the very end.

God saw you getting weary,

He knew you needed rest,

His garden must be beautiful,

For he only picks the best.

Always remembered by the family.

SHAW — In loving memory of a dear husband and father, Wm. Shaw who passed away July 27, 1964.

The world may change from year to year,

And friends from day to day,

But never will the one we loved,

From memory pass away.

Time may heal the broken heart,

Years may heal the wound less sore,

But it can not fill the longing,

For the loved one gone before.

Sadly missed and ever remembered by wife, Gladys and daughters Jean and Hilda.

CLARKE — In loving memory of a dear husband and father, James E. Clarke, who passed away July 25th, 1969.

You suffered much in silence,

Your spirit did not bend

You faced your past with courage

Until the very end.

In tears we saw you sinking

We watched you fade away

Our hearts were almost broken

You fought so hard to stay.

And then we saw you sleeping

So peacefully, free from pain

We could not wish you back with us

To suffer so again.

Our hearts still ache in sadness

Secret tears will flow

What is meant to lose you Jim

No one will ever know.

Always remembered by his wife,

Mabel and daughter Sheila and family.

CARD OF THANKS

We would like to express our sincere thanks and appreciation to our family, relatives, friends and neighbours for the lovely party, turkey dinner, many gifts, cards and well wishes on the occasion of our 25th wedding anniversary.

OBITUARIES

JEANNIE LYNN CURRIE

Jeannie Lynn Currie of R.R. 1 Plainfield died suddenly at her home on Friday July 9, 1971 at the age of two months. She was the daughter of Mr. and Mrs. Charles Currie of Plainfield.

She was the sister of Charlene and John. Her grandparents are Mr. and Mrs. Charles Ruttan of Flinton and Mr. and Mrs. Austin Mayers of Sulphide.

She was a member of the United Church.

Funeral was on Saturday, July 10 from the MacKenzie Funeral Home, Madoc. Rev. D. W. Heard officiated. Interment was in White Lake Cemetery.

WILLIAM LINDSAY WHYTE

A resident of the Queensboro area for the past three years, William Lindsay Whyte died suddenly at his home on Tuesday, July 13, 1971. He was in his 48th year.

Born at McArthur's Mills in North Hastings, he was the son of Mr. and Mrs. Andrew Whyte and had lived in Toronto before moving to Queensboro.

Aside from his parents, he is survived by his wife, the former Verna Wetham, two daughters, Mrs. R. (Marion) Patton of British Columbia and Mrs. G. (Joyce) McKathran of Belleville and four sons, Richard, Raymond, Donald and Ronald at home.

There are four brothers, James and Robert of L'Amable, Telford and Donald of Toronto and eight sisters, Mrs. E. (Sadie) Masters, R.R. 1, Madoc; Mrs. J. (Jean) Rodgers and Mrs. F. (Lizzie) Woodcock, both of Madoc; Mrs. W. (Susan) Childers of Detroit; Mrs. G.

(Gertie) Hennessey and Mrs. K. (Peggy) Hennessey, both of Windsor; Mrs. W. (Ruby) Cassibo of Toronto, and Mrs. D. (Marjorie) Hubble of Napanee.

Mr. Whyte was a member of the United Church.

The funeral was held on Thursday afternoon July 15th with service conducted in the MacKenzie

Funeral Home, Madoc by Rev. D. W. Heard.

Bearers were: Willard Doughty, John Ashe, Robert Curtis, John Stewart, Garth Baumhoer and Clarence Ramsay.

Interment took place in Greenwood Cemetery, Queensboro.

MADOC LADIES SOFTBALL

Last Tuesday night the Madoc Ladies travelled to Springbrook for a game with the Springbrook Flyers and went down to defeat, 13-10. Leading by one run going into the bottom of the seventh, the girls failed to hold on, with Springbrook scoring four runs.

Marva Murphy pitched the complete game and Barb Curtis had a home run for Madoc.

Next game is Tuesday against Cooper at Madoc and Wednesday the Madoc ladies will travel to Foxboro.

WITNESSES ATTEND ASSEMBLY AT MONTREAL

"An imminent confrontation with God on the part of all nations is before us," according to Kenneth Little, supervisor of Jehovah's witnesses in Canada.

An international audience of 22,692 from 14 lands including residents from the Madoc area listened intently as Mr. Little outlined from the Bible the world-shaking events facing all mankind in the near future.

His remarks were made during the main address of the "Divine Name" assembly of Jehovah's witnesses in Montreal on Sunday afternoon.

"The nations do not have to see God in order to collide with him. We often run into things we cannot see. When Jehovah God put man upon the earth, he did not make him the owner of the earth, but made man only a dweller and worker upon it.

"Because all nations defy domination by God and His ways of ruling, God must do away with them during the coming collision, and put the rule of the earth in the hands of righteous men under the Kingdom of His Son, Jesus Christ. This will take place at the war between God and man, called in the Bible Har-Mageddon.

"Then the difference in earthly conditions will be as great as that between a refuse dump and a park of paradise beauty. The earth will look more beautiful under the Kingdom of God than it did to the astronauts who looked back with amazement at its beauty on their way to the moon," said Mr. Little.

Thousands of the delegates in attendance were teenagers along with their families obviously enjoying themselves and anxious to take in Bible knowledge. How parents and Christian overseers could protect children from a life of dissipation and disappointment was dealt with by a number of speakers.

New and more interesting methods of reading the Bible in private and family groups were demonstrated.

organization and to keep pace with the progressive information in the Bible," said Mr. A. West, local representative.

Many true-to-life experiences were related by persons who had their lives completely changed by studying the Bible, including former hippies and drug addicts.

During the convention a total of 8 new Bible publications in French and English, totalling 5,000 pages, were released. One of them is a 1,700 page Bible encyclopedia considered to be one of the most thorough and accurate ever published.

Press, radio and television coverage of the event reached an all-time high, with information on the convention being transmitted to Europe and Africa.

"With over 150,000 persons becoming ordained ministers of Jehovah's witnesses yearly, we need these annual conventions to develop our or-
